Telecommunications Device for the Deaf (TDD) users may call (202) 263-4869.

SUPPLEMENTARY INFORMATION: Proposal to request approval from OMB of the extension for three years, without revision, of the following reports:

1. *Report titles:* Report of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks; Report of Assets and Liabilities of a Non-U.S. Branch that is Managed or Controlled by a U.S. Branch or Agency of a Foreign (Non-U.S.) Bank.

Agency form numbers: FFIEC 002; FFIEC 002S.

OMB control number: 7100-0032.

Frequency of response: Quarterly.

Affected public: U.S. branches and agencies of foreign banks.

Number of respondents: FFIEC 002—223; FFIEC 002S—49.

Estimated average time per response: FFIEC 002—25.43 hours; FFIEC 002S—6.0 hours.

Estimated total annual burden: FFIEC 002—22,684 hours; FFIEC 002S—1,176 hours.

General description of reports: These information collections are mandatory (12 U.S.C. 3105(c)(2), 1817(a)(1) and (3), and 3102(b)). Except for select sensitive items, the FFIEC 002 is not given confidential treatment; the FFIEC 002S is given confidential treatment (5 U.S.C. 552(b)(4) and (8)).

Abstract: On a quarterly basis, all U.S. branches and agencies of foreign banks are required to file the FFIEC 002, which is a detailed report of condition with a variety of supporting schedules. This information is used to fulfill the supervisory and regulatory requirements of the International Banking Act of 1978. The data are also used to augment the bank credit, loan, and deposit information needed for monetary policy and other public policy purposes. The FFIEC 002S is a supplement to the FFIEC 002 that collects information on assets and liabilities of any non-U.S. branch that is managed or controlled by

a U.S. branch or agency of the foreign bank. Managed or controlled means that a majority of the responsibility for business decisions, including but not limited to decisions with regard to lending or asset management or funding or liability management, or the responsibility for recordkeeping in respect of assets or liabilities for that foreign branch, resides at the U.S. branch or agency. A separate FFIEC 002S must be completed for each managed or controlled non-U.S. branch. The FFIEC 002S must be filed quarterly along with the U.S. branch or agency's FFIEC 002. The data from both reports are used for (1) monitoring deposit and credit transactions of U.S. residents; (2) monitoring the impact of policy changes; (3) analyzing structural issues concerning foreign bank activity in U.S. markets; (4) understanding flows of banking funds and indebtedness of developing countries in connection with data collected by the International Monetary Fund and the Bank for International Settlements that are used in economic analysis; and (5) assisting in the supervision of U.S. offices of foreign banks. The Federal Reserve System collects and processes these reports on behalf of all three agencies. No changes were proposed to the FFIEC 002 and FFIEC 002S reporting forms or instructions.

2. *Report title:* Country Exposure Report for U.S. Branches and Agencies of Foreign Banks.

Agency form number: FFIEC 019.

OMB control number: 7100-0213.

Frequency of response: Quarterly.

Affected public: U.S. branches and agencies of foreign banks.

Number of respondents: 167.

Estimated average time per response: 10 hours.

Estimated total annual burden: 6,680 hours.

General description of reports: This information collection is mandatory (12 U.S.C. 3906 for all agencies); 12 U.S.C. 3105 and 3108 for the Board; 12 U.S.C. 1817 and 1820 for the FDIC; and 12 U.S.C. 161 for the OCC. This information collection is given confidential treatment under the Freedom of Information Act (5 U.S.C. 552(b)(8)).

Abstract: All individual U.S. branches and agencies of foreign banks that have more than \$30 million in direct claims on residents of foreign countries must file the FFIEC 019 report quarterly. Currently, all respondents report adjusted exposure amounts to the five largest countries having at least \$20 million in total adjusted exposure. The agencies collect this data to monitor the extent to which such branches and

agencies are pursuing prudent country risk diversification policies and limiting potential liquidity pressures. No changes were proposed to the FFIEC 019 reporting form or instructions.

Board of Governors of the Federal Reserve System, August 12, 2015.

Robert deV. Frierson,
Secretary of the Board.
