[B-53-2015]

Application for Additional Production Authority; The Coleman Company, Inc.; Subzone 119I; (Textile-Based Personal Flotation Devices) Sauk Rapids, Minnesota

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by The Coleman Company, Inc. (Coleman), operator of Subzone 119I, requesting additional production authority for its facility located in Sauk Rapids, Minnesota. The application conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.23) was docketed on August 12, 2015.

The Coleman facility (252 employees) is located at 1100 Stearns Drive, Sauk Rapids, Minnesota. The facility is used for the production of personal flotation devices and cushions constructed with textile fabrics. Coleman requested FTZ production authority in a notification proceeding (15 CFR 400.22) in 2014 (see 79 FR 18509-18510, 4-2-2014; Doc. B-31-2014). After an initial review, the requested production authority was approved subject to a restriction that precludes inverted tariff benefits on foreign textile fabrics and cases/bags of textile materials used in production of personal flotation devices and cushions for U.S. consumption.

The pending application seeks to remove the above-mentioned restriction and to add several new components to Coleman's scope of authority by requesting authority for Coleman to choose the duty rate during customs entry procedures that applies to personal flotation devices (4.5%, 7.0%) and flotation cushions (6.0%) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment. The request indicates that the savings from FTZ

procedures would help improve the plant's international competitiveness.

Components and materials sourced from abroad (representing 16% of the value of the finished products) include: Water soluble sensing elements; plastic carry bags; nylon and polyester woven fabrics; webbing of man-made fibers; neoprene fabrics; and, knit polyester fleece fabrics (duty rate ranges from 5 to 20%).

In accordance with the FTZ Board's regulations, Pierre Duy of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is October 19, 2015. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to November 2, 2015.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Pierre Duy at Pierre.Duy@trade.gov (202) 482-1378.

Dated: August 12, 2015.

Multilayered Wood Flooring From the People's Republic of China: Correction to the Final Results of Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Lilit Astvatsatrian or William Horn, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6412 or (202) 482-2615, respectively.

SUPPLEMENTARY INFORMATION: On July 15, 2015, the Department of Commerce ("Department") published the final results of the 2012-2013 administrative review of the antidumping duty order on multilayered wood flooring from the People's Republic of China.¹ The period of review ("POR") is December 1, 2012, through November 30, 2013. The Department is issuing this notice to correct an inadvertent error in the *Final Results*. Specifically, the Department initiated a review of Jianfeng Wood (Suzhou) Co., Ltd. ("Jianfeng"),² and the company listed in the *Final Results* is also Jianfeng, however, the record reflects that the correct company name, and the company to which the Department assigned a separate rate, is Jiafeng Wood (Suzhou) Co., Ltd.

¹ See *Multilayered Wood Flooring from the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2012-2013*, 80 FR 4476 (July 15, 2015) ("*Final Results*").

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 79 FR 6147 (February 3, 2014).

(“Jiafeng”).³ Accordingly, we intended to include Jiafeng, not Jianfeng, in the list of companies that received a separate rate during the POR as identified in our *Final Results*.⁴

This correction to the final results of administrative review is issued and published in accordance with sections 751(h) and 777(i) of the Tariff Act of 1930, as amended.

Certain Woven Electric Blankets From the People’s Republic of China: Final Results of Sunset Review and Revocation of Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On July 1, 2015, the Department of Commerce (“the Department”) initiated the first sunset review of the antidumping duty order on certain woven electric blankets from the People’s Republic of China (“PRC”).¹ Because no domestic interested party filed a notice of intent to participate in response to the *Initiation Notice* by the applicable deadline, the Department is revoking the antidumping duty order on certain woven electric blankets from the PRC.

DATES: *Effective date:* August 18, 2015.

FOR FURTHER INFORMATION CONTACT: Drew Jackson, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–4406.

SUPPLEMENTARY INFORMATION:

³ See April 3, 2014 Separate Rate Certification for Jiafeng Wood (Suzhou) Co., Ltd. (“Jiafeng”).

⁴ Note that the Department has also placed a memorandum on the file clarifying how it will instruct U.S. Customs and Border Protection with respect to certain other companies covered by this review. See “Memorandum Regarding Company Names in Final Results” (August 6, 2015). This clarification is consistent with the names of the companies as published in the *Final Results*, and the Department is not correcting anything in the *Final Results* with respect to those companies.

¹ See *Initiation of Five-Year (“Sunset”) Review*, 80 FR 37586 (July 1, 2015) (“*Initiation Notice*”).

Background

On August 18, 2010, the Department published the antidumping duty order on certain woven electric blankets from the PRC.² On July 1, 2015, the Department initiated the sunset review on the antidumping duty order on certain woven electric blankets from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”).³ We received no notice of intent to participate in response to the *Initiation Notice* from domestic interested parties by the applicable deadline.⁴ As a result, the Department has concluded that no domestic party intends to participate in this sunset review.⁵ On July 21, 2015, we notified the International Trade Commission, in writing, that we intend to revoke the antidumping duty order on certain woven blankets from the PRC.⁶

Scope of the Order

The scope of this order covers finished, semi-finished, and unassembled woven electric blankets, including woven electric blankets commonly referred to as throws, of all sizes and fabric types, whether made of man-made fiber, natural fiber or a blend of both. Semi-finished woven electric blankets and throws consist of shells of woven fabric containing wire. Unassembled woven electric blankets and throws consist of a shell of woven fabric and one or more of the following components when packaged together or in a kit: (1) Wire; (2) controller(s). The shell of woven fabric consists of two sheets of fabric joined together forming a “shell.” The shell of woven fabric is manufactured to accommodate either the electric blanket’s wiring or a subassembly containing the electric blanket’s wiring (e.g., wiring mounted on a substrate).

A shell of woven fabric that is not packaged together, or in a kit, with either wire, controller(s), or both, is not covered by this investigation even though the shell of woven fabric may be dedicated solely for use as a material in the production of woven electric blankets.

The finished, semi-finished and unassembled woven electric blankets and throws subject to this order are currently classifiable under subheading 6301.10.0000 of the Harmonized Tariff Schedule of the United States

² See *Antidumping Duty Order: Certain Woven Electric Blankets from the People’s Republic of China*, 75 FR 50991 (August 18, 2010) (“*Order*”).

³ See *Initiation Notice*.

⁴ See 19 CFR 351.218(d)(1)(i).

⁵ See 19 CFR 351.218(d)(1)(iii)(A).

⁶ See 19 CFR 351.218(d)(1)(iii)(B)(2).

(“HTSUS”). Although the HTSUS subheading is provided for convenience and customs purposes, only the written description of the scope is dispositive.

Revocation

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall issue a final determination revoking the order within 90 days of the initiation of the review. Because no domestic interested party filed a timely notice of intent to participate in this sunset review, the Department finds that no domestic interested party is participating in this sunset review. Therefore, we are revoking the antidumping duty order on certain woven blankets from the PRC. Pursuant to 19 CFR 351.222(i)(2)(i), the effective date of revocation is August 18, 2015, the fifth anniversary of the order.⁷

Pursuant to section 751(c)(3)(A) and 751(d)(3) of the Act and 19 CFR 351.222(i)(2)(i), the Department intends to issue instructions to U.S. Customs and Border Protection (“CBP”) to terminate the suspension of liquidation of and discontinue the collection of cash deposits on entries of the merchandise subject to the order which were entered, or withdrawn from warehouse, for consumption on or after August 18, 2015. Entries of subject merchandise prior to August 18, 2015, will continue to be subject to the suspension of liquidation and requirements for deposits of estimated antidumping duties. The Department will conduct administrative reviews of the order with respect to subject merchandise entered prior to the effective date of revocation if it receives appropriately filed requests for review.

These final results of this five-year (sunset) review and notice are published in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: August 11, 2015.

Paul Piquado,

Assistant Secretary, for Enforcement and Compliance.
