

the United States is materially injured, or threatened with material injury, by reason of imports of boltless steel shelving units prepackaged for sale from the PRC, or sales (or the likelihood of sales) for importation, of boltless steel shelving units prepackaged for sale from the PRC. If the ITC determines that such injury does not exist, this proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess, upon further instruction by the Department, antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

Return or Destruction of Proprietary Information

This notice also serves as a reminder to the parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 735(d) and 777(i)(1) of the Act.

Dated: August 14, 2015.

Ronald K. Lorentzen,

Acting Assistant Secretary for Enforcement and Compliance.

Appendix I—Scope of the Investigation

The scope of this investigation covers boltless steel shelving units prepackaged for sale, with or without decks (“boltless steel shelving”). The term “prepackaged for sale” means that, at a minimum, the steel vertical supports (*i.e.*, uprights and posts) and steel horizontal supports (*i.e.*, beams, braces) necessary to assemble a completed shelving unit (with or without decks) are packaged together for ultimate purchase by the end-user. The scope also includes add-on kits. Add-on kits include, but are not limited to, kits that allow the end-user to add an extension shelving unit onto an existing boltless steel shelving unit such that the extension and the original unit will share common frame elements (*e.g.*, two posts). The term “boltless” refers to steel shelving in which the vertical and horizontal supports forming the frame are assembled primarily without the use of nuts and bolts or screws. The vertical and horizontal support members for boltless steel shelving are assembled by methods such as, but not limited to, fitting a rivet, punched or cut tab or other similar connector on one support into a hole, slot or

similar receptacle on another support. The supports lock together to form the frame for the shelving unit, and provide the structural integrity of the shelving unit separate from the inclusion of any decking. The incidental use of nuts and bolts or screws to add accessories, wall anchors, tie-bars or shelf supports does not remove the product from scope. Boltless steel shelving units may also come packaged as partially assembled, such as when two upright supports are welded together with front-to-back supports, or are otherwise connected, to form an end unit for the frame. The boltless steel shelving covered by this investigation may be commonly described as rivet shelving, welded frame shelving, slot and tab shelving, and punched rivet (quasi-rivet) shelving as well as by other trade names. The term “deck” refers to the shelf that sits on or fits into the horizontal supports (beams or braces) to provide the horizontal storage surface of the shelving unit.

The scope includes all boltless steel shelving meeting the description above, regardless of (1) vertical support or post type (including but not limited to open post, closed post and tubing); (2) horizontal support or beam/brace profile (including but not limited to Z-beam, C-beam, L-beam, step beam and cargo rack); (3) number of supports; (4) surface coating (including but not limited to paint, epoxy, powder coating, zinc and other metallic coating); (5) number of levels; (6) weight capacity; (7) shape (including but not limited to rectangular, square, and corner units); (8) decking material (including but not limited to wire decking, particle board, laminated board or no deck at all); or (9) the boltless method by which vertical and horizontal supports connect (including but not limited to keyhole and rivet, slot and tab, welded frame, punched rivet and clip).

Specifically excluded from the scope are:

- Wall-mounted shelving, defined as shelving that is hung on the wall and does not stand on, or transfer load to, the floor;¹⁷
- wire shelving units, which consist of shelves made from wire that incorporates both a wire deck and wire horizontal supports (taking the place of the horizontal beams and braces) into a single piece with tubular collars that slide over the posts and onto plastic sleeves snapped on the posts to create the finished shelving unit;
- bulk-packed parts or components of boltless steel shelving units; and
- made-to-order shelving systems.

Subject boltless steel shelving enters the United States through Harmonized Tariff Schedule of the United States (“HTSUS”) statistical subheadings 9403.20.0018, 9403.20.0020, 9403.20.0025, and 9403.20.0026, but may also enter through HTSUS 9403.10.0040. While HTSUS subheadings are provided for convenience and Customs purposes, the written description of the scope of this investigation is dispositive.

¹⁷ The addition of a wall bracket or other device to attach otherwise freestanding subject merchandise to a wall does not meet the terms of this exclusion.

Appendix II—Issues and Decision Memorandum

- I. Summary
- II. Background
- III. Scope of the Investigation
- IV. Changes Since the Preliminary Determination
- V. Use of Adverse Facts Available
- VI. Discussion of the Issues

General Issues

- Comment 1: Surrogate Country
 Comment 2: Whether Whirlpool’s Products Are Within the Scope
- A. Whirlpool’s Incomplete Units
 - B. Whirlpool’s Pre-Wrapped Bundles
- Comment 3: Whether Costco’s Products Are Within the Scope

Surrogate Value Issues

- Comment 4: Freight Weight Basis
 Comment 5: Steel Strip Surrogate Value
 Comment 6: Wire Deck Surrogate Value
 Comment 7: Carton Surrogate Value
 Comment 8: Surrogate Financial Ratios
- A. Other Income/Expense
 - B. Commission/Advertisement

Company-Specific Issues

Topsun

- Comment 9: Standards for Department Determinations
- A. Consistent Disposition of New Factual Information Submissions
 - B. Rejection of New Information
- Comment 10: Whether Topsun’s Due Process Was Violated
 Comment 11: Whether To Assign an Adverse Inference to Topsun’s Cost of Goods Sold
 Comment 12: Differential Pricing
 Comment 13: Treatment of Topsun’s Wire Decks

Zhongda

- Comment 14: Byproduct Offset
 Comment 15: Value-Added Tax (“VAT”) Adjustment
 Comment 16: Whether AD/CVD Remedies Are Duplicative

JS Products

Purified Carboxymethylcellulose From Finland: Final Results of Changed Circumstances Review and Revocation of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On July 8, 2015, the Department of Commerce (the Department) published its initiation and

preliminary results¹ of a changed circumstances review (CCR), preliminarily determining to revoke the antidumping duty (AD) *Order*² on purified carboxymethylcellulose (CMC) from Finland. We invited interested parties to comment on the *Preliminary Results*. We received no comments. Thus, we make no changes to our preliminary determination in these final results of changed circumstances review and hereby revoke the *Order in toto*.

DATES: *Effective Date:* August 26, 2015.

FOR FURTHER INFORMATION CONTACT: Victoria Cho, or Robert James, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5075 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On May 15, 2015, in accordance with sections 751(b) and 751(d)(1) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216(b), 19 CFR 351.222(g)(1), and 19 CFR 351.221(c)(3)(ii), Ashland Specialty Ingredients, G.P. (Ashland), the petitioner and sole domestic producer of CMC, requested revocation of the *Order* with respect to Finland as part of an expedited CCR. On June 8, 2015, CP Kelco Oy and its U.S. affiliate, CP Kelco U.S. Inc., (collectively, CP Kelco), the sole manufacturer of CMC in Finland and its affiliated U.S. importer, requested that the Department grant Ashland's CCR request and revoke the AD order on CMC from Finland, due to the lack of interest in continuation of the *Order*. On July 8, 2015, the Department preliminarily determined to revoke the *Order* and invited interested parties to comment on the *Preliminary Results*.

We received no further comments from interested parties.

Scope of the Order

The merchandise covered by these orders is all purified CMC, sometimes also referred to as purified sodium CMC, polyanionic cellulose, or cellulose gum, which is a white to off-white, non-toxic, odorless, biodegradable powder, comprising sodium CMC that has been

refined and purified to a minimum assay of 90 percent. Purified CMC does not include unpurified or crude CMC, CMC Fluidized Polymer Suspensions, and CMC that is cross-linked through heat treatment. Purified CMC is CMC that has undergone one or more purification operations which, at a minimum, reduce the remaining salt and other by-product portion of the product to less than ten percent.

The merchandise subject to this order is classified in the Harmonized Tariff Schedule of the United States at subheading 3912.31.00. This tariff classification is provided for convenience and customs purposes; however, the written description of the scope of the order is dispositive.

Final Results of Changed Circumstances Review

Section 782(h)(2) of the Act and 19 CFR 351.222(g)(1)(i) & (vi), provide that the Department may revoke an order (in whole or in part) on an expedited basis if it determines that producers accounting for substantially all of the production of the domestic like product have no further interest in the order, in whole or in part. In accordance with 19 CFR 351.222(g)(1), we find that the petitioner's affirmative statement of no interest constitutes good cause to conduct this review. On June 8, 2015, CP Kelco also filed a letter in support of Ashland's CCR request.

Ashland stated that, as the sole U.S. producer of CMC, it accounts for substantially all of the production of the domestic like product. Ashland also stated that it has no interest in the continuation of the *Order*.³ Therefore, at the request of Ashland and in accordance with sections 751(b)(1) and 751(d)(1) of the Act, 19 CFR 351.216, 19 CFR 351.222(g)(1)(i) & (vi), we are revoking the *Order* on CMC from Finland. As stated in the *Preliminary Results*, the revocation will be effective July 1, 2014, which is the first day of the most recent period not subject to administrative review.

Termination of Suspension of Liquidation

Because we determine that there are changed circumstances that warrant the revocation of the *Order*, we will instruct U.S. Customs and Border Protection to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after July 1, 2014 and to release any cash deposit or bond on all unliquidated entries of the merchandise

covered by the revocation that are not covered by the final results of an administrative review or automatic liquidation. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and AD deposit requirements.

Return or Destruction of Proprietary Information

This notice serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 351.216, 351.221(c)(3), and 351.222(g)(vii).

Dated: August 18, 2015.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

Certain Uncoated Paper From Australia: Preliminary Determination of Sales at Less Than Fair Value, Negative Preliminary Determination of Critical Circumstances, and Postponement of Final Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) preliminarily determines that certain uncoated paper from Australia is being, or is likely to be, sold in the United States at less than fair value (LTFV), as provided in section 733(b) of the Tariff Act of 1930, as amended (the Act). The period of investigation (POI) is January 1, 2014, through December 31, 2014. The estimated weighted-average dumping margins of sales at LTFV are shown in the "Preliminary Determination" section of this notice. Interested parties
