SUPPLEMENTARY INFORMATION:

Additional information concerning the Plains Pipeline, L.P. pipeline facilities and documents related to the Department of State’s review of the application for a Presidential Permit can be found at <http://www.state.gov/e/enr/applicant>. Following is the text of the issued permit:

PRESIDENTIAL PERMIT

AUTHORIZING PLAINS PIPELINE, L.P. TO CONNECT, OPERATE, AND MAINTAIN EXISTING PIPELINE FACILITIES AT THE INTERNATIONAL BOUNDARY BETWEEN THE UNITED STATES AND CANADA

By virtue of the authority vested in me as Under Secretary of State for Economic Growth, Energy, and the Environment, including those authorities under Executive Order 13337, 69 FR 25299 (2004), and Department of State Delegation of Authority 118-2 of January 26, 2006; having requested and received the views of members of the public and various federal agencies; I hereby grant permission, subject to the conditions herein set forth, to Plains Pipeline, L.P. (hereinafter referred to as the “permittee”), organized under the laws of the State of Texas, to connect, operate, and maintain existing pipeline facilities at the border of the United States and Canada near Raymond, Montana, for the transport of crude oil between Canada and the United States.

The term “facilities” as used in this permit means the relevant portion of the pipelines and any land, structures, installations, or equipment appurtenant thereto. The term “United States facilities” as used in this permit includes a 12¾-inch pipeline in existence at the time of this permit’s issuance and extending from the international border between the United States and Canada to the first block valve located in the United States, with the coordinates 104 42.934 W, 48 59.931 N.

This permit is subject to the following conditions:

Article 1. (1) The United States facilities herein described, and all aspects of their operation, shall be subject to all the conditions, provisions, and requirements of this permit and any amendment thereof. This permit may be terminated or amended at any time at the discretion of the Secretary of State or the Secretary’s delegate or upon proper application therefor. The permittee shall make no substantial change in the United States facilities, the location of the United States facilities, or in the operation authorized by this permit until such changes have been approved by the Secretary of State or the Secretary’s delegate.

(2) The connection, operation, and maintenance of the United States facilities shall be in all material respects as described in the permittee’s December 20, 2013 application for a Presidential Permit and supplemental
