Forest Service

Title: Understanding Value Trade-Offs Regarding Fire Hazard Reduction Programs in the Wildland-Urban Interface.

OMB Control Number: 0596-0189.

Summary of Collection: The Healthy Forests Restoration Act (P.L. 108-148), improves the ability of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System and Bureau of Land Management Lands. The Forest Service, Bureau of Land Management, Bureau of Indian Affairs, National Park Service, Fish and Wildlife Service, and many State agencies with fire protection responsibilities have undertaken a very ambitious and expensive forest fuels reduction program. The Forest Service (FS) and university researchers will contact recipients of a phone/mail questionnaire to help forest and fire managers understand value trade-offs regarding fire hazard reduction programs in the wildland-urban interface.

Need and Use of the Information: Through the questionnaire, researchers will evaluate the responses of Arizona, Colorado, New Mexico and Texas residents to different scenarios related to fire hazard reduction programs; how residents think the programs presented to them are effective, and calculate how much residents would be willing to pay to implement the alternatives. The collected information will help researchers provide better information to natural resources, forest, and fire managers when they are contemplating the kind and type of fire hazard reduction programs to implement to achieve forest land management planning objectives. Without the information the agencies with fire protection responsibilities will lack the capability to evaluate the general public understanding of proposed fuels reduction projects and programs or their willingness to pay for implementing such programs.

Description of Respondents: Individuals or households.

Number of Respondents: 1,400.

Frequency of Responses: Reporting: Other (One time only).

Total Burden Hours: 703.

Departmental Information Collection Clearance Officer.
