SUPPLEMENTARY INFORMATION:

I. Abstract

NASA promotes activities to demonstrate innovative uses and practical benefits of NASA Earth science data, scientific knowledge, and technology. NASA's Applied Sciences Program established the DEVELOP National Program to research environmental management and public policy issues at the state and local level. Under the guidance of NASA and partner organization science advisors, DEVELOP enables participants to lead research projects that utilize NASA Earth observations to address community concerns and public policy issues. Through teams, DEVELOP

participants gain experience by (1) utilizing NASA's Earth Science satellite and airborne resources, to include remote sensing and geographic information systems (GIS), and (2) communicating research results. DEVELOP projects serve the global community and extend NASA Earth Science research and technology to benefit society. A focus on both professional and personal development is central to DEVELOP's ten week sessions, which are conducted annually during the spring, summer, and fall.

The DEVELOP research opportunity is available to individuals 18 years and older and includes transitioning career professionals (including veterans of the Armed Forces), recent college/university graduates, and currently enrolled students. Information is collected through an online process from individuals interested in participating in the NASA DEVELOP Program for a ten week session. Information collected from individuals includes a completed application, academic transcript, resume, and two letters of recommendation references per applicant.

With the growing societal role of science and technology in today's global workplace, DEVELOP is fostering an adept corps of tomorrow's scientists and leaders.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is requesting reinstatement, with change, of the previously approved collection of information for NCUA's regulation on Bank Conversions and Mergers, 12 CFR part 708a (Part 708a), which provides the requirements for conversions of FICUs to MSBs and mergers of FICUs into banks. Part 708a requires an insured credit union that proposes to convert to an MSB or to merge into a bank to provide notice and disclosure of the proposal to members and NCUA and to conduct a membership vote. These requirements are authorized under section 205(b)(2) of the Federal Credit Union Act, 12 U.S.C. 1785(b)(2). They are also necessary to ensure safety and soundness in the credit union industry, and to protect the interests of credit union members in the charter conversion and merger contexts. Submission of this information is designed to ensure NCUA has sufficient information to administer the member vote in an MSB conversion and to approve or disapprove a proposed merger into a bank. The information collection allows NCUA to ensure compliance with statutory and regulatory requirements for conversions and mergers. It also ensures that members of credit unions have sufficient and accurate information to exercise an informed vote concerning a proposed conversion or merger.

Subpart A of Part 708a (Subpart A) covers the conversion of insured credit unions to MSBs. Subpart A requires insured credit unions that intend to convert to MSBs to provide notice and disclosure of their intent to convert to their members and NCUA. It also requires insured credit unions to provide additional information to NCUA at various points in the conversion process.

Subpart C of Part 708a (Subpart C) covers the merger of insured credit unions into banks. Subpart C requires insured credit unions that intend to merge into banks (both mutual and stock banks) to determine the merger value of the credit union and provide notice and disclosure of their intent to merge to their members and NCUA. It also requires insured credit unions to provide additional information to NCUA at various points in the merger process.

The categories of burden and burden hours for credit unions complying with Part 708a may include the following:

Conversions to MSBs:

In the last five years, five credit unions have engaged in MSB conversion transactions. NCUA estimates it takes an average of approximately 300 hours to comply with the notice and disclosure requirements of Subpart A. Of the 300 hours, NCUA estimates that respondents will spend approximately 50 hours on recordkeeping, 42 hours on reporting, and 208 hours on third-party disclosure. Based on NCUA's experience, NCUA estimates that in the future one insured credit union will engage in an MSB conversion transaction in any given year, so that the total annual collection burden is estimated to be approximately 300 hours. The credit union is required to:

- a. Publish advance notice of intent to convert (section 708a.103(a))—3 hours;
- b. Solicit and review member comments on the advance notice (sections 708a.103(a) and (b))—4 hours;
- c. Have the directors approve the conversion proposal (section 708a.103(c))—50 hours;
- d. Notify NCUA of intent to convert (section 708a.105)—40 hours;
- e. Prepare a directors' certification of support for the conversion proposal and submit to NCUA (section 708a.105(a)(2))—1 hour;
- f. Prepare and mail notices to members and conduct a membership vote on the proposed conversion (sections 708a.104, 708a.106)—200 hours;
- g. Transmit, upon request, a member's communication to the other members (section 708a.104(f))—1 hour; and
- h. Prepare a member vote certification and submit to NCUA (section 708a.107)—1 hour.

Mergers into Banks:

In the last five years, no credit unions have engaged in bank merger transactions. If a credit union were to engage in a bank merger transaction in the future, NCUA estimates it would take approximately 410 hours to comply with the merger valuation, notice, and disclosure requirements of Subpart C. Of the 410 hours, NCUA estimates that respondents will spend approximately 100 hours on recordkeeping, 102 hours on reporting, and 208 hours on third-party disclosure. NCUA estimates that in the future one insured credit union will engage in a bank merger transaction in any given year, so that the total annual collection burden is estimated to be approximately 410 hours. The credit union is required to:

- a. Obtain a merger valuation (section 708a.303(a))—50 hours;
- b. Publish advance notice of intent to merge (section 708a.303(b))—3 hours;

c. Solicit and review member comments on the advance notice (section 708a.303(c))—4 hours;

d. Conduct due diligence and have the directors approve the merger proposal (sections 708a.303(d), 708a.304(d))—50 hours;

e. Prepare the Merger Plan and Notice of Intent to Merge and Request for NCUA Authorization and submit to NCUA (sections 708a.304(a) and (b))—100 hours;

f. Prepare a directors' certification of support for the merger proposal and submit to NCUA (section 708a.304(c))—1 hour;

g. Prepare and mail notices to members and conduct a membership vote on the proposed merger (sections 708a.305, 708a.306)—200 hours;

h. Transmit, upon request, a member's communication to the other members (section 708a.305(g))—1 hour; and

i. Prepare a member vote certification and submit to NCUA (section 708a.307)—1 hour.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

NCUA requests that you send your comments on this collection for part 708a to the location listed in the **ADDRESSES** section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the information collection on respondents, such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is requesting comments on the reinstatement of 3133-0141 Organization and Operations of Federal Credit Unions Loan Participation information collection. NCUA's regulation, 12 CFR 701.22 outlines loan participation requirements. Loan participations pose inherent risk to the NCUSIF due to the interconnectedness between participants. Section 741.225 extends the requirements of Section 701.22 of NCUA's regulations to Federally Insured State Chartered Credit Unions (FISCUs), noting there are strong indications of potential risk to the NCUSIF from FISCUs' loan participation activity. Section 701.22 includes three collection requirements (1) maintenance of a written policy, (2) requirements on the purchasing credit union to have a written loan participation agreement, (3) options to apply for waivers from concentration limits.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

NCUA requests that you send your comments on the information collection requirements under Part 701 to the locations listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the

methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology.
