

TABLE 1 OF PARAGRAPH (F)(3) OF THIS AD—INSPECTION SCHEDULE—Continued

Effectivity	Initial inspection	Repetitive inspection
If, as of the effective date of this AD, the airplane has 31,600 wing air time hours or more.	Inspect within 400 wing air time hours accumulated after the effective date of this AD or 3 months after the effective date of this AD, whichever occurs first.	Repetitively inspect not to exceed every 1,600 wing air time hours accumulated after the last inspection or 2,100 flight cycles after the last inspection, whichever occurs first.

(4) If the total flight cycles have not been kept, multiply the total number of airplane hours time-in-service (TIS) by 2 to calculate the cycles. For the purpose of this AD, some examples are below:

- (i) .5 hour TIS  $\times$  2 = 1 cycle; and
- (ii) 200 hours TIS  $\times$  2 = 400 cycles.

(5) If any cracks are found, contact Technical Support at Viking Air Limited for an FAA-approved repair and incorporate the repair before further flight. You can find contact information for Viking Air Limited in paragraph (i) of this AD. The FAA-approved repair must specifically reference this AD.

#### SUPPLEMENTARY INFORMATION:

##### Section A. Background

On October 20, 1999, the Commission issued its final Rule<sup>1</sup> pursuant to the Children's Online Privacy Protection Act, 15 U.S.C. 6501 *et seq.*, which became effective on April 21, 2000.<sup>2</sup> On December 19, 2012, the Commission amended the Rule, and these amendments became effective on July 1, 2013.<sup>3</sup> The Rule requires certain Web site operators to post privacy policies and provide notice, and to obtain verifiable parental consent, prior to collecting, using, or disclosing personal information from children under the age of 13. The Rule enumerates methods for obtaining verifiable parental consent, while also allowing an interested party to file a written request for Commission

<sup>2</sup> 16 CFR part 312.

<sup>3</sup> 78 FR 3972 (January 17, 2013).

approval of parental consent methods not currently enumerated.<sup>4</sup> To be considered, the party must submit a detailed description of the proposed parental consent method, together with an analysis of how the method meets the requirements for parental consent described in 16 CFR 312.5(b)(1).

Pursuant to Section 312.12(a) of the Rule, Riyo has submitted a proposed parental consent method to the Commission for approval. The full text of its application is available on the Commission's Web site at [www.ftc.gov](http://www.ftc.gov).

On July 31, 2015, the Commission issued a Federal Register document seeking comments on Riyo's proposed parental consent method. The comment period was scheduled to end on September 3, 2015. One group that frequently comments on issues relating to the Rule, the Center for Digital Democracy, requested a short extension for the filing of comments. Such an extension would not affect the deadline applicable to the Commission's determination whether to grant or deny the application. The Commission agrees that extending the comment period to allow interested parties adequate time to address issues raised by the proposed consent method will facilitate a more complete record. Accordingly, the Commission has decided to extend the public comment period eleven days, until September 14, 2015.

### Section B. Invitation To Comment

You can file a comment online or on paper. For the Commission to consider your comment, we must receive it on or before September 14, 2015. You are also solely responsible for making sure that your comment does not include any sensitive health information, including medical records or other individually identifiable health information. In addition, do not include any "[t]rade secret or any commercial or financial information which is . . . privileged or confidential," as discussed in Section 6(f) of the FTC Act, 15 U.S.C. 46(f), and FTC Rule 4.10(a)(2), 16 CFR 4.10(a)(2). In particular, do not include competitively sensitive information such as costs, sales statistics, inventories, formulas, patterns, devices, manufacturing processes, or customer names.

If you want the Commission to give your comment confidential treatment, you must file it in paper form, with a request for confidential treatment, and follow the procedure explained in FTC Rule 4.9(c), 16 CFR 4.9(c).<sup>5</sup> Your comment will be kept confidential only if the FTC General Counsel, in his or her sole discretion, grants your request in accordance with the law and the public interest.

Postal mail addressed to the Commission is subject to delay due to heightened security screening. As a result, we encourage you to submit your comments online. To make sure that the Commission considers your online comment, you must file it at <http://ftcpublic.commentworks.com/ftc/riyocoppaconsent>, by following the instructions on the Web-based form.
