Colorado Interstate Gas Company, L.L.C.; Wyoming Interstate Company, L.L.C.; Notice of Application

Take notice that on August 24, 2015,
Colorado Interstate Gas Company, L.L.C.
(CIG) and Wyoming Interstate Company,
L.L.C. (WIC), jointly filed an application
pursuant to section 7(b) of the Natural
Gas Act (NGA) and Part 157 of the
Commission's Regulations, for approval
to abandon, by sale and in place, CIG's
Powder River Lateral Pipeline and
associated metering facilities located in
Converse County and Albany County,
Wyoming. Also, the applicants request
the Commission's approval the
termination of an associated Powder
River Lateral capacity lease agreement
between CIG and WIC. The filing may
also be viewed on the web at [http://
www.ferc.gov](http://www.ferc.gov) using the "eLibrary" link.
Enter the docket number excluding the
last three digits in the docket number
field to access the document. For
assistance, contact FERC at
FERCOnlineSupport@ferc.gov or call
toll-free, (866) 208-3676 or TTY, (202)
502-8659.

Any questions regarding this
application should be directed to
Francisco Tarin, Director, Regulatory
Affairs, Colorado Interstate Gas
Company, L.L.C., P.O. Box 1087,
Colorado Springs, Colorado, 80944,
telephone (719) 667-7517, fax (719)
520-4697; or Mark A. Minich, Assistant
General Counsel, Colorado Interstate
Gas Company, L.L.C., P.O. Box 1087,
Colorado Springs, Colorado, 80944,
telephone (719) 520-4416, fax (719)
520-4415.

CIG requests the approval of an
abandonment buy sale to Copano
Pipelines/Rocky Mountain LLC (CP/RM)

of its approximate 100-mile Powder
River Lateral Pipeline (Line No. 72A)
located in Converse County and Albany
County, Wyoming. CIG also proposes to
abandon in place of its Powder River
Meter Station, North Platte Meter
Station, Glenrock Meter Station, and a
farm tap located on Line No. 72A. In
addition, CIG and WIC request an
approval the termination of the CIG/
WIC capacity lease agreement currently
in effect for capacity on Line No. 72A
and through WIC's Laramie Jumper
Compressor Station.

Pursuant to Section 157.9 of the
Commission's rules, 18 CFR 157.9,
within 90 days of this Notice the
Commission staff will either: complete
its environmental assessment (EA) and
place it into the Commission's public
record (eLibrary) for this proceeding, or
issue a Notice of Schedule for
Environmental Review. If a Notice of
Schedule for Environmental Review is
issued, it will indicate, among other
milestones, the anticipated date for the
Commission staff's issuance of the final
environmental impact statement (FEIS)
or EA for this proposal. The filing of the
EA in the Commission's public record
for this proceeding or the issuance of a
Notice of Schedule will serve to notify
federal and state agencies of the timing
for the completion of all necessary
reviews, and the subsequent need to
complete all federal authorizations
within 90 days of the date of issuance
of the Commission staff's FEIS or EA.

There are two ways to become
involved in the Commission's review of
this project. First, any person wishing to
obtain legal status by becoming a party
to the proceedings for this project
should, on or before the comment date
stated below, file with the Federal
Energy Regulatory Commission, 888
First Street NE., Washington, DC 20426,
a motion to intervene in accordance
with the requirements of the
Commission's Rules of Practice and
Procedure (18 CFR 385.214 or 385.211)
and the Regulations under the NGA (18
CFR 157.10). A person obtaining party
status will be placed on the service list
maintained by the Secretary of the
Commission and will receive copies of
all documents filed by the applicant and
by all other parties. A party must submit
5 copies of filings made with the
Commission and must mail a copy to
the applicant and to every other party in
the proceeding. Only parties to the
proceeding can ask for court review of
Commission orders in the proceeding.

However, a person does not have to
intervene in order to have comments
considered. The second way to
participate is by filing with the
Secretary of the Commission, as soon as

possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. However, the non-party commenters will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

Motions to intervene, protests and comments may be filed electronically via the internet in lieu of paper; see, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Comment Date: 5:00 p.m. Eastern Time on September 22, 2015.

Dated: September 1, 2015.

Secretary.
