[File No. 500-1]

**In the Matter of Advanced Lighting Solutions, Inc.; Order of Suspension of Trading**

September 4, 2015.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Advanced Lighting Solutions, Inc. because of questions regarding the accuracy and completeness of assertions by the company in materials posted on the Web site operated by OTC Markets Group, Inc. and in press releases. Advanced Lighting Solutions, Inc. is a Wyoming corporation with its principal place of business located in Conroe, Texas. Its stock is quoted on OTC Link, operated by OTC Markets Group Inc., under the ticker: AVLS.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on September 4, 2015, through 11:59 p.m. EDT on September 18, 2015.

**Applicants' Representations**

1. INF, HHY, BOI and HRT are Maryland corporations registered as closed-end management investment

companies.<sup>1</sup> INF's investment objective is to provide a high total return, with an emphasis on income, which it seeks to achieve by investing in publicly traded equity securities of infrastructure companies listed on a domestic or foreign exchange. HHY's primary investment objective is to seek high current income by investing in high yield bonds, debentures, notes, corporate loans, convertible debentures and other debt instruments. BOI's primary investment objective is to seek high total investment return by investing primarily in mortgage-related debt securities and other mortgage-related instruments. HTR's primary investment objective is to provide a high total return, including short and long-term capital gains and a high level of current income by investing primarily in U.S. Treasury, mortgage-backed, asset-backed and high-yield corporate securities. The common shares of each of the Funds are listed and traded on the New York Stock Exchange. Although none of the Funds currently intend to issue preferred shares, the board of directors ("Board") of each Fund may authorize the issuance of preferred shares in the future.

2. BIM, a Delaware corporation, is registered under the Investment Advisers Act of 1940 (the "Advisers Act") as an investment adviser. BIM serves as investment adviser to INF, HHY, BOI and HTR. Each Adviser to a Fund will be registered under the Advisers Act.

3. Applicants believe that investors in closed-end funds may prefer an investment vehicle that provides regular current income through fixed distribution policies that would be available through a distribution policy ("Distribution Policy"). Applicants state that prior to a Fund's implementing a Distribution Policy in reliance on the order, the Board of each Fund, including a majority of the directors who are not "interested persons" of the Fund, as defined in section 2(a)(19) of

<sup>1</sup> All existing registered closed-end investment companies that currently intend to rely on the order have been named as applicants. Applicants request that the order also apply to each other registered closed-end investment company advised or to be advised in the future by BIM or by an entity controlling, controlled by, or under common control (within the meaning of section 2(a)(9) of the Act) with BIM (including any successor in interest) (each such entity, including BIM, the "Adviser") that in the future seeks to rely on the order (such investment companies, together with INF, HHY, BOI and HTR, are collectively, the "Funds" and individually, a "Fund"). Any Fund that may rely on the order in the future will comply with the terms and conditions of the application. A successor in interest is limited to entities that result from a reorganization into another jurisdiction or a change in the type of business organization.
