(ii) A Federal, State, or local law enforcement agency presents a felony arrest warrant as provided in paragraph (n)(1)(ii) of this section; or

(iii) A Federal, State, or local law enforcement agency states that it intends to enforce an outstanding felony warrant or to arrest an individual for a probation or parole violation within 30 days of the date of a request from a State agency about a specific outstanding felony warrant or probation or parole violation.

(4) *Response time.* The State agency shall give the law enforcement agency 20 days to respond to a request for information about the conditions of a felony warrant or a probation or parole violation, and whether the law enforcement agency intends to actively pursue the individual. If the law enforcement agency does not indicate that it intends to enforce the felony warrant or arrest the individual for the probation or parole violation within 30 days of the date of the State agency's request for information about the warrant, the State agency shall determine that the individual is not a fleeing felon or a probation or parole violator and document the household's case file accordingly. If the law enforcement agency indicates that it does intend to enforce the felony warrant or arrest the individual for the probation or parole violation within 30 days of the date of the State agency's request for information, the State agency will postpone taking any action on the case until the 30-day period has expired. Once the 30-day period has expired, the State agency shall verify with the law enforcement agency whether it has attempted to execute the felony warrant or arrest the probation or parole violator. If it has, the State agency shall take appropriate action to deny an applicant or terminate a participant who has been determined to be a fleeing felon or a probation or parole violator. If the law enforcement agency has not taken any action within 30 days, the State agency shall not consider the individual a fleeing felon or probation or parole violator, shall document the case file accordingly, and take no further action.

(5) *Application processing.* The State agency shall continue to process the application while awaiting verification of fleeing felon or probation or parole violator status. If the State agency is required to act on the case without being able to determine fleeing felon or probation or parole violator status in

order to meet the time standards in § 273.2(g) or § 273.2(i)(3), the State agency shall process the application without consideration of the individual's fleeing felon or probation or parole violator status.
