Title; Associated Form; and OMB Number: DOCPER Contractor Online Processing System (DCOPS); AE Form 715-9A and AE Form 715-9C; OMB Control Number 0702-XXXX.

Needs and Uses: The information collection requirement is necessary if DoD contractors and their employees working in Germany and Italy request to be provided the same status under the NATO Status of Forces Agreement (SOFA) as DoD civilians working for the DoD in those Host Nations. The information collected is used to qualify the contractor employees for NATO SOFA status under the procedures outlined in the respective bilateral agreements between the US and the Host Nations. Allowing DoD contractors and their employees to obtain NATO SOFA status exempts them from most Host Nation taxation, and from the requirement to obtain work and residency permits while working in support of the DoD mission.

Annual Burden Hours: 1500.

Number of Respondents: 1500.
Responses per Respondent: 1.
Annual Responses: 1500.
Average Burden per Response: 60 minutes.

Frequency: On occasion.

Respondents are DoD contractors and their contractor employees who, if desiring NATO SOFA status, must provide certain information under the bilateral agreements with the Host Nations. For contracts, the information provided is the contract itself, including a description of the work to be done by the contractor, and the various positions, locations, and salaries associated with each position on the contract. For the contractor employee, personal information to be provided includes full name, SSN, date and place of birth, resumes, dependent information, and sufficient personal historical information intended to assure the Host Nation that the contractor employee is not considered to be "ordinarily resident", *i.e.*, a person who, under the bilateral agreements, would not be eligible for the tax relief provided by NATO SOFA status.
