**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 and Office of Management and Budget (OMB) regulations, the FAA invites public comments about our intention to request OMB approval to revise an existing information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on June 22, 2015. The information collected is used to determine if applicants are medically qualified to perform the duties associated with the class of airman medical certificate sought. The FAA intends to revise the information it is collecting via FAA form 8500-8, in part, to respond to recommendations made in an April 2014 General Services Administration report entitled "FAA Should Improve Usability of its Online Application System and Clarity of the Pilot's Medical Form." This change will have a negligible effect on the estimated time to complete form 8500-8.

**DATES:** Comments should be submitted by October 16, 2015.

**ADDRESSES:** Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to [oir\\_submission@omb.eop.gov](mailto:oir_submission@omb.eop.gov), or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503.

**Public Comments Invited:** You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

The FAA is seeking comments only with regard to the burden associated with the information collection activity under OMB Control Number 2120-0034. As such, any comments received that cite this notice but are outside of the scope of the collection activity under OMB Control Number 2120-0034 will not be addressed.
