

amount outstanding of issues in the Revised Index was approximately \$224.6 billion and the average dollar amount outstanding of issues in the Index was approximately \$23.7 million. Further, the most heavily weighted component represents 2.44% of the weight of the Revised Index and the five most heavily weighted components represent 9.47% of the weight of the Revised Index.¹⁷ Therefore, the Exchange believes that, notwithstanding that the Index does not satisfy the criterion in NYSE Arca Equities Rule 5.2(j)(3), Commentary .02(a)(2), the Revised Index is sufficiently broad-based to deter potential manipulation, given that it is composed of approximately 9,481 issues and 900 unique issuers. In addition, the Revised Index securities are sufficiently liquid to deter potential manipulation in that a substantial portion (69.73%) of the Revised Index weight is composed of maturities that are part of a minimum original principal amount outstanding of \$100 million or more, and in view of the substantial total dollar amount outstanding and the average dollar amount outstanding of Revised Index issues, as referenced above.

In addition, the average daily notional trading volume for Revised Index components for the period from June 30, 2014 to June 30, 2015 was approximately \$323.6 million and the sum of the notional trading volumes for the same period was \$82.2 billion.

The Revised Index value, calculated and disseminated at least once daily, as well as the components of the Revised Index and their percentage weighting, will be available from major market data vendors. In addition, the portfolio of securities held by the Fund will be disclosed daily on the Fund's Web site at www.marketvectorsetfs.com.

The Adviser represents that there is no change to the Fund's investment objective. Except for the changes noted above, all other representations made in the Release remain unchanged.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes will accommodate continued listing and trading of an issue of Managed Fund Shares that holds municipal securities.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2015-0053]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions and extensions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and

recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB)

Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov.

(SSA)

Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov.

Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2015-0053].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than November 16, 2015. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. Farm Self-Employment Questionnaire—20 CFR 404.1082(c) & 404.1095—0960-0061. SSA collects the information on Form SSA-7156 on a voluntary and as-needed basis to determine the existence of an agriculture trade or business, which may affect the monthly benefit, or insured status of the applicant. SSA requires the existence of a trade or business before determining if an individual or partnership may have net earnings from self-employment. When an applicant indicates self-employment as a farmer, SSA uses the SSA-7165 to obtain the information we need to determine the existence of an agricultural trade or business, and subsequent covered earnings for Social Security entitlement purposes. As part of the application process, we conduct a personal interview, either face-to-face or via telephone, and document the interview using Form SSA-7165. The respondents are applicants for Social Security benefits, whose entitlement depends on workers having covered earnings from self-employment as farmers.

Type of Request: Revision of an OMB-approved information collection.
