

that are not on the Watch List would be subject to a separate proposed rule change pursuant to section 19(b)(1) of the Act,⁹ and the rules thereunder and an advance notice pursuant to section 806(e)(1) of the Clearing Supervision Act,¹⁰ and the rules thereunder.

Consistency with the Clearing Supervision Act. The objectives and principles of section 805(b)(1) of the Clearing Supervision Act specify the promotion of robust risk management, promotion of safety and soundness, reduction of systemic risks and support of the stability of the broader financial system.¹¹ Rule 17Ad-22(b)(1), promulgated under the Act, requires NSCC to measure its credit exposures to its participants at least once a day and limit its exposures to potential losses from defaults by its participants under normal market conditions so that the operations of the clearing agency would not be disrupted and non-defaulting participants would not be exposed to losses that they cannot anticipate or control.¹² Rule 17Ad-22(b)(2), promulgated under the Act, requires NSCC to use risk-based models for setting margin requirements.¹³

By enhancing the margin methodology as applied to the family-issued securities of its Members that are on its Watch List the proposal would assist NSCC in collecting margin that more accurately reflects the risk characteristics of these securities, thereby limiting NSCC's exposures to potential losses from defaults by these Members under normal market conditions. By more closely capturing the risk characteristics of these positions, the proposed enhancement to the margining methodology would also assist NSCC in its continuous efforts to ensure the reliability and effectiveness of its risk-based margining methodology. In this way, the proposal would help NSCC, as a central counterparty, maintain effective risk controls, contributing to the goal of maintaining financial stability in the event of a Member default. Therefore, NSCC believes the proposal is consistent with the requirements of section 805(b)(1) of the Clearing Supervision Act and Rule 17Ad-22(b)(1) and (2), promulgated under the Act, cited above.

III. Date of Effectiveness of the Advance Notice, and Timing for Commission Action

The proposed change may be implemented if the Commission does not object to the proposed change within 60 days of the later of (i) the date that the proposed change was filed with the Commission or (ii) the date that any additional information requested by the Commission is received. NSCC shall not implement the proposed change if the Commission has any objection to the proposed change.

The Commission may extend the period for review by an additional 60 days if the proposed change raises novel or complex issues, subject to the Commission providing NSCC with prompt written notice of the extension. The proposed change may be implemented in less than 60 days from the date the Advance Notice is filed, or the date further information requested by the Commission is received, if the Commission notifies NSCC in writing that it does not object to the proposed change and authorizes NSCC to implement the proposed change on an earlier date, subject to any conditions imposed by the Commission.

NSCC shall post notice on its Web site of proposed changes that are implemented.

The proposal shall not take effect until all regulatory actions required with respect to the proposal are completed.

Applicants' Representations

1. The Fund is a non-diversified closed-end management investment company registered under the Act and organized as a Delaware statutory trust. The Adviser, a Delaware limited liability company, is registered as an investment adviser under the Investment Advisers Act of 1940 and serves as investment adviser to the Fund. The Distributor, a broker-dealer registered under the Securities Exchange Act of 1934 ("1934 Act"), acts as principal underwriter of the Fund. The Distributor is under common control with the Adviser and is an

affiliated person, as defined in section 2(a)(3) of the Act, of the Adviser.

2. The Fund is engaged in a continuous public offering of Shares pursuant to its currently effective registration statement under the Securities Act of 1933 ("Securities Act").¹ The Fund's Shares are not listed on any securities exchange and are not traded on an over-the-counter system such as Nasdaq. Applicants do not expect that any secondary market will develop for the Fund's Shares.

3. The Fund currently issues a single class of Shares (the "Class A") at net asset value per share ("NAV"), subject to a front-end sales load and an asset-based distribution and services fee. The Fund proposes to offer multiple classes of Shares (each a "New Class") at NAV and may also charge a front-end sales load and an annual asset-based distribution and/or service fee. Each class of Shares would comply with the provisions of rule 12b-1 under the Act, as if the rule applied to closed-end management investment companies.

4. In order to provide a limited degree of liquidity to shareholders, the Fund may from time to time offer to repurchase Shares at their then-current NAV in accordance with rule 13e-4 under the 1934 Act. Repurchases of the Fund's Shares will be made at such times, in such amounts and on such terms as may be determined by the Fund's board of trustees (the "Board") in its sole discretion.² The Adviser expects that it will generally recommend to the Board that the Fund offer to repurchase Shares from shareholders quarterly.

5. Applicants request that the order also apply to any continuously-offered registered closed-end management investment company existing now or in the future for which the Adviser or the Distributor, or any entity controlling, controlled by, or under common control with the Adviser or the Distributor, acts as investment adviser or principal underwriter, and which provides periodic liquidity with respect to its Shares through tender offers conducted

¹ Shares of the Fund will only be sold to "accredited investors," as defined in Regulation D under the Securities Act.

² For Class A, a 2% early repurchase fee will be charged by the Fund with respect to any repurchase of Shares from a shareholder at any time prior to the one-year anniversary of the shareholder's purchase of the respective Shares. Any early repurchase fee, and the Fund's waiver of, scheduled variation in, or elimination of, such early repurchase fee, will equally apply to all shareholders of the Fund, regardless of class, consistent with section 18 of the Act and rule 18f-3 thereunder. To the extent the Fund determines to waive, impose scheduled variations of, or eliminate the early repurchase fee, it will do so consistently with the requirements of rule 22d-1 under the Act.

pursuant to rule 13e-4 under the 1934 Act (collectively with the Fund, the "Funds").³

6. Applicants represent that any asset-based distribution and/or service fees will comply with the provisions of rule 2830(d) of the Conduct Rules of the National Association of Securities Dealers, Inc. ("NASD Conduct Rule 2830").⁴ Applicants also represent that the Fund will disclose in its prospectus, the fees, expenses and other characteristics of each class of Shares offered for sale by the prospectus, as is required for open-end, multiple class funds under Form N-1A. As if it were an open-end management investment company, the Fund will disclose fund expenses in shareholder reports, and disclose in its prospectus any arrangements that result in breakpoints in, or elimination of, sales loads.⁵ Each Fund and the Distributor will also comply with any requirements that may be adopted by the Commission or FINRA regarding disclosure at the point of sale and in transaction confirmations about the costs and conflicts of interest arising out of the distribution of open-end investment company shares, and regarding prospectus disclosure of sales loads and revenue sharing arrangements as if those requirements applied to the Fund and the Distributor.⁶

7. The Fund will allocate all expenses incurred by it among the various classes of Shares based on net assets of the Fund attributable to each such class, except that the NAV and expenses of each class will reflect the expenses associated with the distribution fees paid pursuant to a plan adopted in compliance with rule 12b-1 of that class (if any), shareholder servicing fees attributable to a particular class (as well as transfer agency fees, if any) and any other incremental expenses particular to that class. Expenses of the Fund allocated to a particular class of the

³ Any Fund relying on this relief will do so in a manner consistent with the terms and conditions of the application. Applicants represent that each investment company presently intending to rely on the requested order is listed as an applicant.

⁴ Any references to NASD Conduct Rule 2830 include any successor or replacement Financial Industry Regulatory Authority ("FINRA") rule to NASD Conduct Rule 2830.

⁵ See Shareholder Reports and Quarterly Portfolio Disclosure of Registered Management Investment Companies, Investment Company Act Release No. 26372 (Feb. 27, 2004) (adopting release); and Disclosure of Breakpoint Discounts by Mutual Funds, Investment Company Act Release No. 26464 (June 7, 2004) (adopting release).

⁶ See Confirmation Requirements and Point of Sale Disclosure Requirements for Transactions in Certain Mutual Funds and Other Securities, and Other Confirmation Requirement Amendments, and Amendments to the Registration Form for Mutual Funds, Investment Company Act Release No. 26341 (Jan. 29, 2004) (proposing release).

Fund's Shares will be borne on a pro rata basis by each outstanding Share of that class. Applicants state that the Fund will comply with the provisions of rule 18f-3 under the Act as if it were an open-end investment company.

8. In the event the Funds impose a CDSC, applicants will comply with the provisions of rule 6c-10 under the Act, as if that rule applied to closed-end management investment companies. With respect to any waiver of, scheduled variation in, or elimination of the CDSC, the Fund will comply with the requirements of rule 22d-1 under the Act as if the Fund were an open-end investment company.

Applicants' Legal Analysis

Multiple Classes of Shares

1. Section 18(c) of the Act provides, in relevant part, that a closed-end investment company may not issue or sell any senior security if, immediately thereafter, the company has outstanding more than one class of senior security. Applicants state that the creation of multiple classes of Shares of the Fund may be prohibited by section 18(c).

2. Section 18(i) of the Act provides that each share of stock issued by a registered management investment company will be a voting stock and have equal voting rights with every other outstanding voting stock. Applicants state that permitting multiple classes of the Fund may violate section 18(i) of the Act because each class would be entitled to exclusive voting rights with respect to matters solely related to that class.

3. Section 6(c) of the Act provides that the Commission may exempt any person, security or transaction or any class or classes of persons, securities or transactions from any provision of the Act, or from any rule under the Act, if and to the extent such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants request an exemption under section 6(c) from sections 18(c) and 18(i) to permit the Fund to issue multiple classes of Shares.

4. Applicants submit that the proposed allocation of expenses and voting rights among multiple classes is equitable and will not discriminate against any group or class of shareholders. Applicants submit that the proposed system would permit the Fund to facilitate the distribution of Shares through diverse distribution channels and would provide investors with a broader choice of shareholder

options. Applicants assert that the proposed closed-end investment company multiple class structure does not raise the concerns underlying section 18 of the Act to any greater degree than open-end investment companies' multiple class structures that are permitted by rule 18f-3 under the Act. Applicants state the Fund will comply with the provisions of rule 18f-3 as if it were an open-end investment company.

CDSCs

5. Applicants believe that the requested relief meets the standards of section 6(c) of the Act. Rule 6c-10 under the Act permits open-end investment companies to impose CDSCs, subject to certain conditions. Applicants state that any CDSC imposed by the Fund will comply with rule 6c-10 under the Act as if that rule were applied to closed-end investment companies. The Fund also will make all required disclosures in accordance with the requirements of Form N-1A concerning CDSCs. Applicants further state that, in the event the Fund imposes CDSCs, the Fund will apply the CDSCs (and any waivers, scheduled variations, or eliminations of the CDSCs) uniformly to all shareholders in a given class and consistently with the requirements of rule 22d-1 under the Act.

Asset-Based Service and/or Distribution Fees

6. Section 17(d) of the Act and rule 17d-1 under the Act prohibit an affiliated person of a registered investment company or an affiliated person of such person, acting as principal, from participating in or effecting any transaction in which such registered company is a joint or a joint and several participant unless the Commission issues an order permitting the transaction. In reviewing applications submitted under section 17(d) and rule 17d-1, the Commission considers whether the participation of the investment company in a joint enterprise or joint arrangement is consistent with the provisions, policies and purposes of the Act, and the extent to which the participation is on a basis different from or less advantageous than that of other participants.

7. Rule 17d-3 under the Act provides an exemption from section 17(d) and rule 17d-1 to permit open-end investment companies to enter into distribution arrangements pursuant to rule 12b-1 under the Act. Applicants request an order under section 17(d) and rule 17d-1 under the Act to permit the Fund to pay asset-based distribution and/or service fees. Applicants have

agreed to comply with rules 12b-1 and 17d-3 as if those rules applied to closed-end investment companies.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

Applicants will comply with the provisions of rules 6c-10, 12b-1, 17d-3, 18f-3 and 22d-1 under the Act, as amended from time to time or replaced, as if those rules applied to closed-end management investment companies, and will comply with the NASD Conduct Rule 2830, as amended from time to time, as if that rule applied to all closed-end management investment companies.

For the Commission, by the Division of Investment Management, under delegated authority.

Secretary.
