

(3)(i) All technology grant recipients, including individuals and entities formed as for-profit entities, will be subject to the rules on Uniform Administrative Requirements for Grants and Agreements With Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations, as found at 2 CFR part 200.

(ii) Where the Secretary determines that 2 CFR part 200 is not applicable or where the Secretary determines that additional requirements are necessary due to the uniqueness of a situation, the Secretary will apply the same standard applicable to exceptions under 2 CFR 200.102.

(b) *Definitions.* To supplement the definitions contained in § 36.4401, the following terms are herein defined for purposes of this section:

(1) A *technology grant applicant* is a person or entity that applies for a grant pursuant to 38 U.S.C. 2108 and this section to develop new assistive technology or technologies for specially adapted housing.

(2) A *new assistive technology* is an advancement that the Secretary determines could aid or enhance the ability of an eligible individual, as defined in 38 CFR 36.4401, to live in an adapted home.

(c) *Grant application solicitation.* As funds are available for the program, VA will publish in the **Federal Register** a Notice of Funds Availability (NoFA), soliciting applications for the grant program and providing information on applications.

(d) *Application process and requirements.* Upon publication of the NoFA, a technology grant applicant must submit an application to the Secretary via www.Grants.gov. Applications must consist of the following:

(1) Standard Form 424 (Application for Federal Assistance) with the box labeled "application" marked;

(2) VA Form 26–0967 (Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion) to ensure that the technology grant applicant has not been debarred or suspended and is eligible to participate in the VA grant process and receive Federal funds;

(3) Statements addressing the scoring criteria in paragraph (f) of this section; and

(4) Any additional information as deemed appropriate by VA.

(e) *Threshold requirements.* The NoFA will set out the full and specific procedural requirements for technology grant applicants.

(f) *Scoring criteria.* (1) The Secretary will score technology grant applications

based on the scoring criteria in paragraph (f)(2) of this section. Although there is not a cap on the maximum aggregate score possible, a technology grant application must receive a minimum aggregate score of 70 points to be considered for a technology grant.

(2) The scoring criteria and maximum points are as follows:

(i) A description of how the new assistive technology is innovative (up to 50 points);

(ii) An explanation of how the new assistive technology will meet a specific, unmet need among eligible individuals (up to 50 points);

(iii) An explanation of how the new assistive technology is specifically designed to promote the ability of eligible individuals to live more independently (up to 30 points);

(iv) A description of the new assistive technology's concept, size, and scope (up to 30 points);

(v) An implementation plan with major milestones for bringing the new assistive technology into production and to the market. Such milestones must be meaningful and achievable within a specific timeframe (up to 30 points); and

(vi) An explanation of what uniquely positions the technology grant applicant in the marketplace. This can include a focus on characteristics such as the economic reliability of the technology grant applicant, the technology grant applicant's status as a minority or veteran-owned business, or other characteristics that the technology grant applicant wants to include to show how it will help protect the interests of, or further the mission of, VA and the program (up to 20 points).

(g) *Application deadlines.* Deadlines for technology grant applications will be established in the NoFA.

(h) *Awards process.* Decisions for awarding technology grants under this section will be made in accordance with guidelines (covering such issues as timing and method of notification) described in the NoFA. The Secretary will provide written approvals, denials, or requests for additional information. The Secretary will conduct periodic audits of all approved grants under this program to ensure that the actual project size and scope are consistent with those outlined in the proposal and that established milestones are achieved.

(i) *Delegation of authority.* (1) Each VA employee appointed to or lawfully fulfilling any of the following positions is hereby delegated authority, within the limitations and conditions prescribed by law, to exercise the powers and functions of the Secretary with respect

(2) The Secretary does not have a duty to assist technology grant applicants in obtaining a grant.

39 CFR Part 957

Rules of Practice Before the Judicial Officer

AGENCY: Postal Service.

ACTION: Final rule.

SUMMARY: This document contains the final revisions to the rules of practice before the Judicial Officer in proceedings relative to debarment from contracting.

DATES: *Effective:* September 17, 2015.

ADDRESSES: Written inquiries may be directed to: Postal Service Judicial Officer Department, 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201–3078.

FOR FURTHER INFORMATION CONTACT: Associate Judicial Officer Gary E. Shapiro, (703) 812–1910.

SUPPLEMENTARY INFORMATION:

A. Executive Summary

On July 1, 2015, the Judicial Officer Department published for comment proposed revisions to the rules of practice before the Judicial Officer for proceedings relative to debarment from contracting (80 FR 37565–7). The period for comments closed on July 31, 2015, and no comments were received. The Judicial Officer has made no further revisions to the original proposed rules, which are adopted as final. The new rules completely replace the former rules of 39 CFR part 957.

B. Background

The rules of practice in proceedings relative to debarment from contracting are set forth in 39 CFR part 957. This authority is delegated by the Postmaster General. The rules are being changed to effectuate the Postal Service's present debarment procedures, at 39 CFR part 601, and the Judicial Officer's role in those procedures.

In 2007, the Postal Service changed its procurement regulations regarding suspension and debarment from contracting. See 72 FR 58252 (October 15, 2007). Whereas prior to that change, the Judicial Officer conducted hearings and rendered final agency decisions regarding suspension and debarment from contracting, the revised procurement regulations at 39 CFR 601.113 eliminated any role of the Judicial Officer from suspensions, and reserved final agency action regarding debarments to the Vice President, Supply Management. The remaining role of the Judicial Officer relative to debarment from contracting is set forth in paragraphs (g)(2) and (h)(2) of § 601.113. Those paragraphs provide that the Vice President, Supply Management, may request the Judicial Officer to conduct fact-finding hearings to resolve questions of material facts involving a debarment, and will consider those findings when deciding the matter. Under paragraph (h)(2) of § 601.113, fact-finding hearings will be governed by rules of procedure promulgated by the Judicial Officer. These new rules of procedure satisfy that requirement.

List of Subjects in 39 CFR Part 957

Accordingly, for the reasons stated, the Postal Service revises 39 CFR part 957 to read as follows:

(c) Conducting conferences with the parties. The Hearing Officer will prepare

(e) Administering oaths or affirmations to witnesses.

(f) Conducting the proceedings and the hearing in a manner to maintain discipline and decorum while ensuring that relevant, reliable and probative evidence is elicited, but irrelevant, immaterial or repetitious evidence is excluded. The Hearing Officer in his or her discretion may examine witnesses to ensure that a satisfactory record is developed.

(g) Establishing the record. The weight to be attached to evidence will rest within the discretion of the Hearing Officer. Except as the Hearing Officer may otherwise order, no proof shall be received in evidence after completion of a hearing. The Hearing Officer may require either party, with appropriate notice to the other party, to submit additional evidence on any relevant matter.

(h) Granting reasonable time extensions or other relief for good cause shown, in the Hearing Officer's sole discretion.

(i) Issuing findings of fact. The Hearing Officer will issue findings of fact to the Vice President within 30 days from the close of the record, to the extent practicable.

§ 957.10 Conduct of the hearing.

The Hearing Officer may approve or disapprove witnesses in his or her discretion. All testimony will be taken under oath or affirmation, and subject to cross-examination. The Hearing Officer may exclude evidence to avoid unfair prejudice, confusion of the issues, undue delay, waste of time, or presentation of irrelevant, immaterial, or cumulative evidence. Although the Hearing Officer will consider the Federal Rules of Evidence for guidance

regarding admissibility of evidence and other evidentiary issues, he or she is not bound by those rules. The weight to be attached to evidence presented in any particular form will be within the discretion of the Hearing Officer, taking into consideration all the circumstances of the particular case. Stipulations of fact agreed upon by the parties may be accepted as evidence at the hearing. The parties may stipulate the testimony that would be given by a witness if the witness were present. The Hearing Officer may in any case require evidence in addition to that offered by the parties. A party requiring the use of a foreign language interpreter allowing testimony to be taken in English for itself or witnesses it proffers is responsible for making all necessary arrangements and paying all costs and expenses associated with the use of an interpreter.

§ 957.11 Witness fees.

Each party is responsible for the fees and costs for its own witnesses.

The filing date for proposed findings shall be the same for both parties.

(b) Proposed findings of fact shall be set forth in numbered paragraphs and shall state with particularity all evidentiary facts in the record with appropriate citations to the transcript or exhibits supporting the proposed findings.

§ 957.14 Findings of fact.

The Hearing Officer shall issue written findings of fact, and transmit them to the Vice President. Copies will be sent to the parties.

§ 957.15 Computation of time.

A designated period of time under the rules in this part excludes the day the period begins, and includes the last day of the period unless the last day is a Saturday, Sunday, or legal holiday, in which event the period runs until the close of business on the next business day.

§ 957.16 Official record.

The transcript of testimony together with all pleadings, orders, exhibits, briefs, and other documents filed in the proceeding shall constitute the official record of the proceeding.

§ 957.17 Public information.

The Postal Service shall maintain for public inspection copies of all findings of fact issued under this Part, and make them available through the Postal Service Web site. The Recorder maintains the complete official record of every proceeding.

§ 957.18 Ex parte communications.

The provisions of 5 U.S.C. 551(14), 556(d), and 557(d) prohibiting ex parte communications are made applicable to proceedings under these rules of practice.
