

collectively referred to as “item”) exported or to be exported from the United States that is subject to the Export Administration Regulations (“EAR”), or in any other activity subject to the EAR including, but not limited to:

A. Applying for, obtaining, or using any license, License Exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the EAR, or in any other activity subject to the EAR; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the EAR, or in any other activity subject to the EAR.

Second, that no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of a Denied Person any item subject to the EAR;

B. Take any action that facilitates the acquisition or attempted acquisition by a Denied Person of the ownership, possession, or control of any item subject to the EAR that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby a Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from a Denied Person of any item subject to the EAR that has been exported from the United States;

D. Obtain from a Denied Person in the United States any item subject to the EAR with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the EAR that has been or will be exported from the United States and which is owned, possessed or controlled by a Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by a Denied Person if such service involves the use of any item subject to the EAR that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

THIRD, that, after notice and opportunity for comment as provided in Section 766.23 of the EAR, any other person, firm, corporation, or business organization related to a Denied Person

by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business may also be made subject to the provisions of this Order.

In accordance with the provisions of Section 766.24(e) of the EAR, Flider Electronics, LLC, d/b/a Trident International Corporation, may, at any time, appeal this Order by filing a full written statement in support of the appeal with the Office of the Administrative Law Judge, U.S. Coast Guard ALJ Docketing Center, 40 South Gay Street, Baltimore, Maryland 21202–4022. In accordance with the provisions of Sections 766.23(c)(2) and 766.24(e)(3) of the EAR, Pavel Semenovich Flider and Gennadiy Semenovich Flider may, at any time, appeal his inclusion as a related person by filing a full written statement in support of the appeal with the Office of the Administrative Law Judge, U.S. Coast Guard ALJ Docketing Center, 40 South Gay Street, Baltimore, Maryland 21202–4022.

In accordance with the provisions of Section 766.24(d) of the EAR, BIS may seek renewal of this Order by filing a written request not later than 20 days before the expiration date. Flider Electronics, LLC d/b/a Trident International Corporation may oppose a request to renew this Order by filing a written submission with the Assistant Secretary for Export Enforcement, which must be received not later than seven days before the expiration date of the Order.

A copy of this Order shall be sent to Flider Electronics LLC d/b/a Trident International Corporation and each related person, and shall be published in the **Federal Register**.

This Order is effective upon issuance and shall remain in effect for 180 days.

Dated: September 14, 2015.

David W. Mills,

Assistant Secretary of Commerce for Export Enforcement.

Diamond Sawblades and Parts Thereof From the People’s Republic of China: Continuation of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) and the International

Trade Commission (the ITC) have determined that revocation of the antidumping duty (AD) order on diamond sawblades and parts thereof (diamond sawblades) from the People’s Republic of China (the PRC) would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States. Therefore, the Department is publishing a notice of continuation for this AD order.

DATES: *Effective Date:* September 18, 2015.

FOR FURTHER INFORMATION CONTACT: Yang Jin Chun, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–5760.

SUPPLEMENTARY INFORMATION:

Background

In November 2014, the Department initiated ¹ and the ITC instituted ² a five-year sunset review of the AD order on diamond sawblades from the PRC pursuant to sections 751(c) of the Tariff Act of 1930, as amended (the Act). As a result of its review, the Department determined that revocation of the AD order would likely lead to continuation or recurrence of dumping and notified the ITC of the magnitude of the margins likely to prevail should the AD order be revoked, pursuant to sections 751(c)(1) and 752(c) of the Act.³

On September 9, 2015, the ITC published its determination that revocation of the AD order on diamond sawblades from the PRC would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time, pursuant to sections 751(c) of the Act.⁴

Scope of the Order

The products covered by the order are all finished circular sawblades, whether slotted or not, with a working part that is comprised of a diamond segment or segments, and parts thereof, regardless of specification or size, except as specifically excluded below. Within the scope of the order are semifinished

diamond sawblades, including diamond sawblade cores and diamond sawblade segments. Diamond sawblade cores are circular steel plates, whether or not attached to non-steel plates, with slots. Diamond sawblade cores are manufactured principally, but not exclusively, from alloy steel. A diamond sawblade segment consists of a mixture of diamonds (whether natural or synthetic, and regardless of the quantity of diamonds) and metal powders (including, but not limited to, iron, cobalt, nickel, tungsten carbide) that are formed together into a solid shape (from generally, but not limited to, a heating and pressing process).

Sawblades with diamonds directly attached to the core with a resin or electroplated bond, which thereby do not contain a diamond segment, are not included within the scope of the order. Diamond sawblades and/or sawblade cores with a thickness of less than 0.025 inches, or with a thickness greater than 1.1 inches, are excluded from the scope of the order. Circular steel plates that have a cutting edge of non-diamond material, such as external teeth that protrude from the outer diameter of the plate, whether or not finished, are excluded from the scope of the order. Diamond sawblade cores with a Rockwell C hardness of less than 25 are excluded from the scope of the order. Diamond sawblades and/or diamond segment(s) with diamonds that predominantly have a mesh size number greater than 240 (such as 250 or 260) are excluded from the scope of the order.

Merchandise subject to the order is typically imported under heading 8202.39.00.00 of the Harmonized Tariff Schedule of the United States (HTSUS). When packaged together as a set for retail sale with an item that is separately classified under headings 8202 to 8205 of the HTSUS, diamond sawblades or parts thereof may be imported under heading 8206.00.00.00 of the HTSUS. On October 11, 2011, the Department included the 6804.21.00.00 HTSUS classification number to the customs case reference file, pursuant to a request by U.S. Customs and Border Protection (CBP).⁵

The tariff classification is provided for convenience and customs purposes; however, the written description of the scope of the order is dispositive.

Continuation of the Order

As a result of the determinations by the Department and the ITC that

revocation of the AD order would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act and 19 CFR 351.218(a), the Department hereby orders the continuation of the AD order on diamond sawblades from the PRC. We will instruct CBP to continue to collect AD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the AD order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act and 19 CFR 351.218(c)(2), the Department intends to initiate the next five-year review of this order not later than 30 days prior to the fifth anniversary of the effective date of this continuation notice.

This five-year sunset review and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act and 19 CFR 351.218(f)(4).

Dated: September 14, 2015.

Ronald K. Lorentzen,

Acting Assistant Secretary for Enforcement and Compliance.

Notice of Availability of Community-Based Restoration Program Guidelines

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of availability of Community-based Restoration Program Guidelines; request for comments.

SUMMARY: NOAA's National Marine Fisheries Service (NMFS) is seeking comment on revised guidelines for the Community-based Restoration Program (Program). Since guidelines were first issued in 2000, the Program has not only evolved alongside the field of habitat restoration but has been designed to more effectively support sustainable fisheries and contribute to the recovery and conservation of protected resources. These goals are aligned with NMFS' core mandates, the Magnuson-Stevens Fishery Conservation and Management Act and Endangered Species Act. The Program has built a strong foundation of

technical and financial assistance capabilities that enables NOAA to proactively identify and develop priority habitat restoration projects, build community-based partnerships to leverage resources, and implement technically sound restoration actions that have maximum impact on coastal and marine species and the ecosystems on which they depend. This document replaces previous guidelines and describes the Program's goals and scope of implementation for FY 2016 and beyond. This is not a solicitation of project proposals.

DATES: Comments are due October 19, 2015.

ADDRESSES: Additional information about the Program is available at: <http://www.habitat.noaa.gov/restoration/programs/crp.html>. Interested parties that wish to send comments may send an email to tisa.shostik@noaa.gov. Interested parties that wish to send comments through regular mail may use the following mailing address: NOAA Restoration Center (F/HC3), ATTN: CRP Guidelines, 1315 East West Highway, RM 14853, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Tisa Shostik at tisa.shostik@noaa.gov.

SUPPLEMENTARY INFORMATION:

Background

NMFS started the Community-based Restoration Program (Program) in 1996 to provide technical and financial assistance to support the implementation of community-driven habitat restoration. The Program collaborates with partners to restore coastal wetlands, coral reef, shellfish, estuarine, and riverine habitat to benefit coastal and marine species under NMFS jurisdiction. Restoration implemented under the Program include projects such as dam removal and fish passage projects, hydrologic reconnection projects, shellfish and coral reef restoration projects. To date, the Program has implemented more than 1,700 habitat restoration projects in 37 states. It has restored more than 55,000 acres of habitat and opened 2,500 miles of rivers and streams.

The Program is housed within the NMFS Office of Habitat Conservation's Restoration Center and was authorized in the Magnuson-Stevens Fishery Conservation and Management Reauthorization Act of 2006. Prior guidelines for the Program were provided at 65 FR 16890, March 30, 2000, and then revised at 73 FR 55816, September 26, 2008. Since the guidelines were last updated in 2008, base funding for the Program has
