ACTION: Notice of public meeting.

The notice also describes the functions of the Council. Notice of the meeting is permitted by Section 9 of the CUAC Charter and is intended to notify the public of this meeting. Specifically, Section 9(d) of the CUAC Charter states: (1) Each meeting of the Council shall be open to public observation, to the extent that a facility is available to accommodate the public, unless the Bureau, in accordance with paragraph (4) of this section, determines that the meeting shall be closed. SUPPLEMENTARY INFORMATION:

I. Background

Section 2 of the CUAC Charter provides: "Pursuant to the executive and administrative powers conferred on the Consumer Financial Protection Bureau (CFPB or Bureau) by Section 1012 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), the Director established the Credit Union Advisory Council to consult with the Bureau in the exercise of its functions under the federal consumer financial laws as they

pertain to credit unions with total assets of \$10 billion or less."

Section 3 of the CUAC Charter states: "a) The CFPB supervises depository institutions and credit unions with total assets of more than \$10 billion and their respective affiliates, but other than the limited authority conferred by § 1026 of the Dodd-Frank Act, the CFPB does not have supervisory authority regarding credit unions and depository institutions with total assets of \$10 billion or less. As a result, the CFPB does not have regular contact with these institutions, and it would therefore be beneficial to create a mechanism to ensure that their unique perspectives are shared with the Bureau. Small Business Regulatory Enforcement Fairness Act (SBREFA) panels provide one avenue to gather this input, but participants from credit unions must possess no more than \$175 million in assets, which precludes the participation of many. b) The Advisory Council shall fill this gap by providing an interactive dialogue and exchange of ideas and experiences between credit union employees and Bureau staff. c) The Advisory Council shall advise generally on the Bureau's regulation of consumer financial products or services and other topics assigned to it by the Director. To carry out the Advisory Council's purpose, the scope of its activities shall include providing information, analysis, and recommendations to the Bureau. The output of Advisory Council meetings should serve to better inform the CFPB's policy development, rulemaking, and engagement functions."

II. Agenda

The Credit Union Advisory Council will discuss consumer challenges in payments.

Persons who need a reasonable accommodation to participate should contact CFPB_504Request@cfpb.gov, 202-435-9EEO, 1-855-233-0362, or 202-435-9742 (TTY) at least ten business days prior to the meeting or event to request assistance. The request must identify the date, time, location, and title of the meeting or event, the nature of the assistance requested, and contact information for the requester. CFPB will strive to provide, but cannot guarantee that accommodation will be provided for late requests.

Individuals who wish to attend the Credit Union Advisory Council meeting must RSVP to cfpb_cabandcouncilsevents@cfpb.gov by noon, Tuesday, October 7, 2015. Members of the public must RSVP by the due date and must include "CUAC" in the subject line of the RSVP.

III. Availability

The Council's agenda will be made available to the public on Tuesday, September 22, 2015, via consumerfinance.gov. Individuals should express in their RSVP if they require a paper copy of the agenda.
