BUREAU OF CONSUMER FINANCIAL PROTECTION

Notice of Availability of Translated Consumer Information Booklet

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Notice of availability.

SUMMARY: The Bureau of Consumer Financial Protection (Bureau) announces the availability of a Spanish-language translation of a consumer publication, the Home Buying Information Booklet, also known as the Special Information Booklet or the Settlement Cost Booklet, required under the Real Estate Settlement Procedures Act (RESPA), Regulation X, and Regulation Z. The title of this publication is *Su conjunto de herramientas para préstamos hipotecarios: Guía paso a paso* (English title: *Your home loan toolkit: a step-by-step guide*).

ADDRESSES: The Spanish translation of the consumer publication is available for download on the Bureau's Web site at www.consumerfinance.gov/learnmore and can also be found in the Catalog of U.S. Government Publications (<http://catalog.gpo.gov>), maintained by Superintendent of Documents, U.S. Government Publishing Office, Washington, DC 20402.

FOR FURTHER INFORMATION CONTACT: Julie Vore, Originations Analyst, Office of Mortgage Markets; or David Friend, Counsel, Office of Regulations; CFPB-reginquiries@cfpb.gov or (202) 435-7700.

SUPPLEMENTARY INFORMATION: The Bureau is publishing this notice of

availability to inform the public of a Spanish-language translation of the recently revised Home Buying Information Booklet (Booklet). Background and contents of the Booklet were provided in the Notice of availability of the English-language version of the Booklet in 80 FR 17414, on April 1, 2015.

Distribution and Use of the Translated Toolkit

The Bureau views this Booklet as part of the Bureau's broader mission to educate consumers about consumer financial products. The Booklet was revised to, among other things, improve its readability and usability and link to the Bureau's Web site for tools and resources that consumers can use to make better-informed decisions about homeownership. Pursuant to 12 CFR 1026.19(g)(2), creditors may not make changes to, deletions from, or additions to the Booklet, other than certain types of changes to the cover page.

Under 12 U.S.C. 2604(a), the Bureau is required to prepare a booklet to help consumers applying for federally related mortgage loans to understand the nature and costs of real estate settlement services. Under 12 U.S.C. 2604(d) and 12 CFR 1024.6(d) and 1026.19(g), each lender is required to provide the Booklet to each person from whom it receives an application for certain mortgage loans. The statute and regulations require the lender to deliver the Booklet or place it in the mail not later than three business days after the lender receives an application. Lenders are required to provide the Booklet in the version that is most appropriate for the person receiving it. 12 U.S.C. 2604(d). Just as with the revised English-language version announced on March 31, 2015, the Spanish-language version of the Booklet has been designed to help consumers make better-informed decisions about homeownership and understand the nature and costs of real estate settlement services. The Bureau encourages all mortgage market participants (including real estate agents, homeownership counselors, and mortgage brokers, for example) to provide the Booklet to consumers at any time, preferably as early in the home- or mortgage-shopping process as possible.

Those who provide the Booklet should be aware that both the revised English and Spanish-language versions include information on the new Loan Estimate and Closing Disclosure that generally is required to be provided to consumers for applications for federally related mortgage loans that are received on or after October 3, 2015. Accordingly, the Bureau believes that

the English and Spanish versions of the Booklet, entitled *Your home loan toolkit: A step-by-step guide* or *Su conjunto de herramientas para préstamos hipotecarios: Guía paso a paso*, respectively, should be used only after that date.

The Bureau also announces that it has fixed a typographical error in the “small” English-language version of the Booklet. This error was nonsubstantive: A duplicate sentence located on page 44. The corrected version is now available on the Bureau’s Web site as well as in the Catalog of U.S. Government Publications.

Dated: September 14, 2015.

Richard Cordray,

Director, Bureau of Consumer Financial Protection.

Notice of Intent To Prepare an Environmental Impact Statement on the Proposal To Improve F–22 Operational Efficiency at Joint Base Elmendorf-Richardson, Alaska

AGENCY: United States Air Force, Pacific Air Forces.

ACTION: Notice of intent.

SUMMARY: Pursuant to the National Environmental Policy Act (NEPA) of 1969, as amended (42 U.S.C. 4321, *et seq.*), the Council on Environmental Quality (CEQ) Regulations for Implementing the Procedural Provisions of NEPA (40 CFR parts 1500–1508), and Air Force policy and procedures (32 CFR part 989), the Air Force is issuing this notice to advise the public of the intent to prepare an Environmental Impact Statement (EIS) for proposed F–22 operational efficiency improvements at Joint Base Elmendorf-Richardson (JBER).

The proposed action is to improve F–22 operational efficiency; there is no proposed change in the number of aircraft at JBER nor in the ongoing military training in existing Alaska training airspace. Six alternatives that have been initially identified include changes in runway use and/or airfield infrastructure and maintenance. The EIS will address potential impacts resulting from implementation of the alternatives. The No Action Alternative is the runway use conditions from the F–22 Plus-Up Environmental Assessment (EA) and Finding of No Significant Impacts (FONSI) published, June 2011.

Scoping: In order to define the full range of issues to be evaluated in the EIS, the Air Force will determine the scope of the analysis by soliciting comments from interested local, state and federal elected officials and agencies, as well as interested members of the public. This NOI also serves to provide early notice of compliance with Executive Order (EO) 11990, “Protection of Wetlands” and EO 11988, “Floodplain Management.” State and federal regulatory agencies with special expertise in wetlands and floodplains have been contacted to request

comment. The Air Force plans to use the NEPA scoping process to also fulfill the requirements of the NHPA Section 106 implementing regulations by seeking public input on historic preservation issues and concerns.

The scoping meeting will be held Wednesday, October 14, 2015, from 6:00 p.m. to 8:30 p.m. ADT, at Tyson Elementary School, 2801 Richmond Avenue, Anchorage, Alaska.

Public scoping comments will be accepted in writing at the scoping meetings. Additional scoping comments will be accepted at any time during the EIS process. However, in order to ensure the Air Force has sufficient time to consider public input, scoping comments should arrive at the address below by October 27, 2015.
