Background

On March 2, 2015, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the antidumping duty (AD) order on circular welded carbon steel pipes and tubes from Thailand covering the period of review (POR) of March 1, 2014, through February 28, 2015.¹ The Department received a timely request for review of Saha Thai Steel Pipe (Public) Company, Ltd. (Saha Thai).² The Department published a notice initiating an administrative review of the AD order on circular welded carbon steel pipes and tubes from Thailand with respect to Saha Thai.³ On April 28, 2015, Saha Thai timely withdrew its request for review.⁴

Rescission

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party or parties that requested the review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. As noted above, Saha Thai withdrew its request for review within 90 days of the publication date of the notice of initiation. No other parties requested an administrative review of the order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review in its entirety.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of circular welded carbon steel pipes and tubes from Thailand. Notification Regarding Administrative Protective Orders

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period.
