### Scope of the Order

For purposes of the order, the term “certain crepe paper” includes crepe paper products that have a basis weight not exceeding 29 grams per square meter prior to being creped and, if appropriate, flame-proofed. Crepe paper has a finely wrinkled surface texture and typically but not exclusively is treated to be flame-retardant. Crepe paper is typically but not exclusively produced as streamers in roll form and packaged in plastic bags. Crepe paper may or may not be bleached, dye colored, surface-colored, surface decorated or printed, glazed, sequined, embossed, die-cut, and/or flame retardant. Subject crepe paper may be rolled, flat or folded, and may be packaged by banding or wrapping with paper, by placing in plastic bags, and/or by placing in boxes for distribution and use by the ultimate consumer. Packages of crepe paper subject to this order may consist solely of crepe paper of one color and/or style, or may contain multiple colors and/or styles. The merchandise subject to this order does not have specific classification numbers assigned to them under the Harmonized Tariff Schedule of the United States (“HTSUS”). Subject merchandise may be under one or more of several different HTSUS subheadings, including: 4802.30; 4802.54; 4802.61; 4802.62; 4802.69; 4804.39; 4806.40; 4808.30; 4808.90; 4811.90; 4818.90; 4823.90; 9505.90.40. The tariff classifications are provided for convenience and customs purposes; however, the written description of the scope of this order is dispositive.

### Continuation of the Order

As a result of the determinations by the Department and the ITC that revocation of the antidumping duty order would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping order on certain crepe paper products from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of the order will be the

#### Wooden Bedroom Furniture From the People's Republic of China: Final Results of Changed Circumstances Review, and Revocation of Antidumping Duty Order, in Part

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On August 11, 2015, the Department of Commerce (the “Department”) published its *Preliminary Results* of a changed circumstances review (CCR) and intent to revoke, in part, the antidumping duty (“AD”) order on wooden bedroom furniture from the People's Republic of China (“PRC”) <sup>1</sup> with respect to certain jewelry armoires.<sup>2</sup> The Department preliminarily determined that the producers accounting for substantially all of the production of the domestic like product to which the *Order* pertains lacked interest in the relief provided by the *Order* with respect to certain jewelry armoires with at least one front door. We invited interested parties to comment on the *Preliminary Results*. No party submitted comments. For the final results, the Department is revoking, in part, the *Order* as to certain jewelry armoires with at least one front door.

**DATES:** *Effective date:* September 22, 2015.

### Background

On January 4, 2005, the Department published the *Order* in the **Federal Register**. On February 13, 2015, the Department received a request on behalf of Pier 1 Imports (U.S.), Inc. (“Pier One”) for a CCR to revoke, in part, the *Order* with respect to jewelry armoires with at least one front door.<sup>3</sup> On April 2, 2015, the Department published the *Initiation Notice* for the requested CCR in the **Federal Register**.<sup>4</sup> On August 11, 2015, the Department published the *Preliminary Results* of this CCR in which it found that producers accounting for substantially all of the production of the domestic like product lack interest in the relief afforded by the *Order* with respect to certain jewelry armoires that have at least one front door as described in Pier One's Request.<sup>5</sup> The Department invited interested parties to submit comments on the *Preliminary Results* in accordance with 19 CFR 351.309(c)(1)(ii). We received no comments.

#### Final Results of Changed Circumstances Review, and Revocation of the Order, in Part

Because no party submitted comments opposing the Department's *Preliminary Results*, and the record contains no other information or evidence that calls into question the *Preliminary Results*, the Department determines pursuant to section 751(d)(1) of the Tariff Act of 1930, as amended (the “Act”), and 19 CFR 351.222(g), that there are changed circumstances that warrant revocation of the *Order*, in part. Specifically, because the producers accounting for substantially all of the production of the domestic like product to which the *Order* pertains, lack interest in the relief provided by the *Order* with respect to the following type
