AGENCY: Health Resources and Services Administration (HRSA), HHS.

ACTION: Notice of Single-Award Deviation from Competition Requirements for the University of Arizona's Center for Integrative Medicine in Primary Care.

SUMMARY: The Health Resources and Services Administration (HRSA) will be issuing a noncompetitive award for the Center for Integrative Medicine in Primary Care program. Approximately \$330,000 will be made available in the form of a cooperative agreement to the

University of Arizona, Center for Integrative Medicine in Primary Care program, Tucson, Arizona (HP 2771) during the current budget/project period of September 1, 2014, through August 31, 2017. This cooperative agreement was fully funded for a 3-year project period on September 1, 2014. The purpose of the Center for Integrative Medicine in Primary Care program is to incorporate competency based Integrative Medicine (IM) curricula and practices into existing primary care residencies and other health professions training programs. This center is expected to contribute to the evidence-base for IM, and to identify promising practices related to the integration of IM into primary care and interprofessional practice. The Center formally partners with existing primary care residency programs (pediatrics, internal medicine, family medicine, preventive medicine)

and other health professions training programs (nursing, physician assistant, public health, and behavioral health among others) to: (a) Pilot and implement the incorporation of IM into the curricula and training; (b) Provide faculty development; (c) Engage in interprofessional education and practice; (d) Develop practice-based IM rotations for residents and students; (e) Reach out to underserved populations through existing training sites to spread IM practice; (f) Identify promising IM practices through the work of the program; and (g) Evaluate students' and faculty members' knowledge gained and practice changes made through IM trainings and curriculum development.

Authority: Section 765 of the Public Health Service Act (42 U.S.C. 295 and 295a), as amended by Section 5206 of the Patient Protection and Affordable Care Act.

Justification

HRSA seeks to provide a program expansion supplement of \$330,000 for the Center for Integrative Medicine in Primary Care Program award for the purpose of increasing the number of pilot sites and disciplines that are reached with the initial offering of the Foundations in Integrative Healthcare online course. The program will be able to accomplish outreach to a broad range of disciplines, health professionals, types of programs, and underrepresented groups. They also will be able to provide outreach to consumers on integrative healthcare. This request is for a single-award deviation because there is only one currently funded cooperative agreement with the capacity to use the funding during the required time period.

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****Ryan White HIV/AIDS Program Part C HIV Early Intervention Services Program Existing Geographic Service Area**

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice.

SUMMARY: The HIV/AIDS Bureau (HAB) is requesting a class deviation from the competition requirements in order to provide a one-year extension with funds to nineteen Part C HIV Early Intervention Services Program Existing Geographic Service Area (EISEGA)

grantees. HAB is currently evaluating the EISEGA program and intends to re compete the entire program in fiscal year (FY) 2017. Nineteen of the 347 Part C grantees were scheduled to re compete in FY 2016. One-year extensions with funds enables HAB to align all cohorts of EISEGA grantees without disrupting the provision of critical HIV primary medical care services to the current Ryan White HIV/AIDS Program (RWHAP) clients served by these nineteen RWHAP Part C recipients. Pending the availability of funds, the amount of each FY 2016 award will be based on a proportion of the current Part C EISEGA award to each of the nineteen recipients, respectively.
