

under the National Environmental Policy Act in accordance with FAA Order 1050.1E, "Environmental Impacts: Policies and Procedures," paragraph 311a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment:

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for Part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.9Z, Airspace Designations and Reporting Points, dated August 6, 2015, and effective September 15, 2015, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth

* * * * *

ANM WA E5 Delta, CO [New]

Blake Field Airport, CO

(Lat. 38°47'11" N., long. 108°03'49" W.)

Blake Field, point in space coordinates

(Lat. 38°47'43" N., long. 107°58'46" W.)

That airspace extending upward from 700 feet above the surface within 3.8-mile radius of Blake Field Airport, and that airspace 2.0 miles northwest and 2.5 miles southeast of the 227° bearing from the airport extending from the 3.8-mile radius to 12 miles southwest of the airport, and that airspace within a 4.0-mile radius of point in space coordinates at lat. 38°47'43" N., long. 107°58'46" W., from a point where the 4.0-mile radius of the point in space intersects the 3.8 mile radius of the airport; thence clockwise along the 4.0-mile radius of the point in space to where the Blake Field Airport 48° bearing intersects the 4.0-mile radius; thence south to lat. 38°47'34" N., long. 107°57'03" W.; thence west to where the Blake Field Airport 79° bearing intersects the 3.8 mile radius of the airport.

Issued in Seattle, Washington, on September 09, 2015.

Christopher Ramirez,

Manager, Operations Support Group, Western Service Center.

14 CFR Part 71

[Docket No. FAA–2015–1869; Airspace Docket No. 15–AGL–9]

Establishment of Class E Airspace; Newberry, MI

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action establishes Class E airspace at the Newberry VHF Omni-Directional Radio Range/Distance Measuring Equipment (VOR/DME), Newberry, MI, to facilitate vectoring of Instrument Flight Rules (IFR) aircraft under control of Minneapolis Air Route Traffic Control Center (ARTCC). This action enhances the safety and efficiency of aircraft operations within the National Airspace System (NAS). A minor change in the regulatory text is made to align the new Class E airspace with Minneapolis ARTCC's airspace. **DATES:** *Effective date:* 0901 UTC, December 10, 2015. The Director of the Federal Register approves this incorporation by reference action under 1 Code of Federal Regulations, Part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

ADDRESSES: FAA Order 7400.9Z, Airspace Designations and Reporting Points, and subsequent amendments can be viewed on line at <http://www.faa.gov/airtraffic/publications/>. For further information, you can contact the Airspace Policy and ATC Regulations Group, Federal Aviation Administration, 800 Independence Avenue SW., Washington, DC 29591; telephone: 202–267–8783. The Order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202–741–6030, or go to http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html.

FAA Order 7400.9, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the U.S. Code. Subtitle 1, Section 106(f), describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it establishes controlled airspace at the Newberry VOR/DME, Newberry, MI.

History

On June 24, 2015, the FAA published in the **Federal Register** a notice of proposed rulemaking (NPRM) to establish Class E airspace for the Newberry, MI area, creating controlled airspace at the Newberry VOR/DME within Minneapolis ARTCC boundaries (80 FR 36264) Docket No. FAA–2015–1869. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received. Subsequent to publication, the FAA found that the airspace coordinates in the legal description will change slightly to allow alignment of the new Class E airspace with the boundaries of Minneapolis ARTCC.

Class E airspace designations are published in paragraph 6005 of FAA Order 7400.9Z dated August 6, 2015, and effective September 15, 2015, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.9Z, Airspace Designations and Reporting Points, dated August 6, 2015, and effective September 15, 2015. FAA Order 7400.9Z is publicly available as listed in the **ADDRESSES** section of this final rule. FAA Order 7400.9Z lists

Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

This action amends Title 14 Code of Federal Regulations (14 CFR) Part 71 by establishing Class E airspace extending upward from 1,200 feet above the surface at the Newberry VOR/DME navigation aid, Newberry, MI, to contain aircraft while in IFR conditions under control of Minneapolis ARTCC by safely vectoring aircraft from en route airspace to terminal areas. Controlled airspace is needed for the safety and management of IFR operations within the confines of Minneapolis ARTCC airspace.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this regulation: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1E, “Environmental Impacts: Policies and Procedures,” paragraph 311a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for 14 CFR part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g), 40103, 40113, 40120; E. O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.9Z, Airspace Designations and Reporting Points, dated August 6, 2015, and effective September 15, 2015, is amended as follows:

Paragraph 6006 Enroute Domestic Airspace Areas

* * * * *

AGL MI E6 Newberry, MI [New]

Newberry VOR/DME, MI

Lat. 46°18'45" N., long. 085°27'49" W.

That airspace extending upward from 1,200 feet above the surface within an area bounded by lat. 46°58'41" N., long. 086°25'25" W.; to lat. 45°44'17" N., long. 086°27'14" W.; to lat. 45°43'49" N., long. 085°20'28" W.; to lat. 46°29'24" N., long. 084°50'43" W.; to lat. 46°48'24" N., long. 085°51'50" W., to lat. 46°58'30" N., long. 086°25'01" W., thence to the point of beginning, excluding that airspace within Federal airways and within Canadian airspace.

Issued in Fort Worth, TX, on August 27, 2015.

Robert W. Beck,

Manager, Operations Support Group, ATO Central Service Center.

14 CFR Part 71

Docket No. FAA–2015–1089; Airspace Docket No. 15–ANM–11

Amendment of Class E Airspace; Douglas, WY

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action modifies Class E airspace at Converse County Airport, Douglas, WY, to accommodate new Standard Instrument Approach Procedures (SIAPs) at Converse County Airport, and addresses an inaccuracy identified by FAA Airspace Policy and Support that V–19, which is no longer located in the area, is used in the legal description of the airspace. The geographic coordinates of the airport also are adjusted. The FAA is taking this action to enhance the safety and management of Instrument Flight Rules (IFR) operations at the airport.

DATES: Effective 0901 UTC, December 10, 2015. The Director of the Federal Register approves this incorporation by reference action under title 1, Code of Federal Regulations, part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

ADDRESSES: FAA Order 7400.9Z, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at http://www.faa.gov/air_traffic/publications/.
