SUPPLEMENTARY INFORMATION:**I. Background**

OSHA published a notice of proposed rulemaking on July 15, 2015, titled "Clarification of Employer's Continuing Obligation To Make and Maintain an Accurate Record of Each Recordable Injury and Illness." The notice stated that comments were due by September 28, 2015. The National Association of Home Builders requested that the deadline for submitting comments be extended by 60 days to provide additional time for interested parties to engage in "legal analysis, as well as careful review and discussion" of the proposed rule. See Ex. OSHA-2015-006-0004. OSHA believes an extension of 30 days is reasonable. Therefore, to allow commenters adequate time to prepare complete and accurate comments on the proposed rule, OSHA is, with this notice, extending the deadline for submitting comments in response to the proposed rule to October 28, 2015.

SUPPLEMENTARY INFORMATION: This proposal addresses the following local rule(s): MBUAPCD Rule 1002 and VCAPCD Rule 74.33. In the Rules and Regulations section of this **Federal Register**, we are approving these local rules in a direct final action without prior proposal because we believe these SIP revisions are not controversial. Please note that if we receive adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, we may adopt as final those provisions of the rule that are not the subject of an adverse comment.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.
