**RIN 0648-XE213**

**Fisheries of the Exclusive Economic Zone Off Alaska; “Other Rockfish” in the Central and Western Regulatory Areas of the Gulf of Alaska**

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Temporary rule; closure.

**SUMMARY:** NMFS is prohibiting retention of “other rockfish” in the Central and Western Regulatory Areas of the Gulf of Alaska (GOA). This action is necessary because the 2015 total allowable catch of “other rockfish” in the Central and Western Regulatory Areas of the GOA will be reached.

**DATES:** Effective 1200 hours, Alaska local time (A.l.t.), September 30, 2015, through 2400 hours, A.l.t., December 31, 2015.

**FOR FURTHER INFORMATION CONTACT:** Josh Keaton, 907-586-7228.

**SUPPLEMENTARY INFORMATION:** NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of

Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2015 total allowable catch (TAC) of “other rockfish” in the Central and Western Regulatory Areas of the GOA is 1,031 metric tons (mt) as established by the final 2015 and 2016 harvest specifications for groundfish of the GOA (80 FR 10250, February 25, 2015).

In accordance with § 679.20(d)(2), the Administrator, Alaska Region, NMFS (Regional Administrator), has determined that the 2015 TAC of “other rockfish” in the Central and Western Regulatory Areas of the GOA will be reached. Therefore, NMFS is requiring that “other rockfish” caught in the

Central and Western Regulatory Areas of the GOA be treated as prohibited species in accordance with § 679.21(b).

#### Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay prohibiting the retention of “other rockfish” in the Central and Western Regulatory Areas of the GOA. NMFS

was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of September 25, 2015.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by §§ 679.20 and 679.21 and is exempt from review under Executive Order 12866.
