Availability and Summary of Documents Proposed for Incorporation by Reference

This document proposes to amend FAA Order 7400.9Z, Airspace Designations and Reporting Points, dated August 6, 2015, and effective September 15, 2015. FAA Order 7400.9Z is publicly available as listed in the **ADDRESSES** section of this document. FAA Order 7400.9Z lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is proposing an amendment to Title 14 Code of Federal Regulations (14 CFR) Part 71 by establishing Class E surface area airspace designated as an extension to the Class D airspace at Whiteman Airport, Los Angeles, CA. The Class E surface area airspace would extend from the 3-mile radius of Whiteman Airport to 6.6 miles northwest of the airport for the safety and management of IFR operations.

Class E airspace designations are published in paragraph 6004, of FAA Order 7400.9Z, dated August 6, 2015, and effective September 15, 2015, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

Regulatory Notices and Analyses

The FAA has determined this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore; (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified this proposed rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E, "Environmental Impacts: Policies and Procedures" prior to any FAA final regulatory action.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

24 CFR Part 203

[Docket No. FR-5742-N-02]

RIN 2502-AJ23

Federal Housing Administration (FHA): Single Family Mortgage Insurance Maximum Time Period for Filing Insurance Claims, Curtailment of Interest and Disallowance of Operating Expenses Incurred Beyond Certain Established Timeframes; Partial Withdrawal

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Partial withdrawal of proposed rule.

SUMMARY: This document withdraws part of a proposed rule, published in the *Federal Register* on July 6, 2015, that proposed to establish a maximum time period within which an FHA-approved mortgagee must file a claim with FHA for insurance benefits, and to revise HUD's policies concerning the curtailment of interest and the disallowance of certain expenses incurred by a mortgagee as a result of the mortgagee's failure to timely initiate foreclosure or timely take such other action that is a prerequisite to submission of a claim for insurance. This withdrawal covers only the portion of the proposed rule that would have established the maximum time period within which an FHA-approved mortgagee must file a claim with FHA for insurance benefits.

DATES: As of October 16, 2015, HUD withdraws the proposed additions of §§ 203.317a and 203.372, and proposed revision to § 203.318, published Monday, July 6, 2015 (80 FR 38410).

SUPPLEMENTARY INFORMATION:

I. Background

On July 6, 2015, HUD published in the **Federal Register** a proposed rule that would have added § 203.372, establishing a maximum time period for filing a claim for insurance benefits, and § 203.317a, providing that the contract of insurance would be terminated if a mortgagee failed to file a claim within the maximum time period specified in § 203.372, to 24 CFR part 203. The proposed rule would have also revised § 203.318 to refer to termination of the insurance contract under new § 203.317a. Additionally, the proposed rule would amend § 203.402, and revise the title of § 203.474, related to proposals concerning the curtailment of interest and the disallowance of certain expenses incurred by a mortgagee as a result of the mortgagee's failure to timely initiate foreclosure or timely take such other action that is a prerequisite to submission of a claim for insurance.

In response to public comments expressing concern over the implementation of the proposed provisions regarding the maximum time period within which an FHA-approved mortgagee must file a claim with FHA for insurance benefits, HUD is withdrawing the proposed additions of §§ 203.317a and 203.372, and proposed revision to § 203.318. HUD will publish in the **Federal Register** any revised maximum time period for claim filing provisions in a proposed rule and solicit public comment on it.
