The comments that are submitted will be summarized and included in the CBP request for OMB approval. All comments will become a matter of public record. In this document, CBP is soliciting comments concerning the following information collection:

Title: Petroleum Refineries in Foreign Trade Sub-zones

OMB Number: 1651–0063

Abstract: The Foreign Trade Zones Act, 19 U.S.C. 81c(d) contains specific provisions for petroleum refinery sub-zones. It permits refiners and U.S. Customs and Border Protection (CBP) to assess the relative value of such products at the end of the manufacturing period during which these products were produced when the actual quantities of these products resulting from the refining process can be measured with certainty.

19 CFR 146.4(d) provides that the operator of the refinery sub-zone is required to retain all records relating to the above mentioned activities for five years after the merchandise is removed from the sub-zone. Further, the records shall be readily available for CBP review at the sub-zone.

Instructions on compliance with these record keeping provisions are available in the Foreign Trade Zone Manual which is accessible at: <http://www.cbp.gov/document/guides/foreign-trade-zones-manual>.

Action: CBP proposes to extend the expiration date of this information collection with no change to the burden hours or to the information collected.

Type of Review: Extension (without change).

Affected Public: Businesses.

Estimated Number of Respondents: 81.

Estimated Number of Total Annual Responses: 81.

Estimated Time per Response: 1000 hours.

Estimated Total Annual Burden Hours: 81,000.

Dated: October 14, 2015.

Tracey Denning,

Agency Clearance Officer, U.S. Customs and Border Protection.
