

2. Statutory Basis

The Exchange believes that proposed rule change is consistent with Section 6(b)(5) of the Act,¹² which requires, among other things, that the Exchange's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the proposed rule change will further these requirements by providing greater harmonization between Exchange and FINRA rules of similar purpose, resulting in greater uniformity and less burdensome and more efficient regulatory compliance. As such, the proposed rule change would foster cooperation and coordination with persons engaged in facilitating transactions in securities and would remove impediments to and perfect the mechanism of a free and open market and a national market system in accordance with Section 6(b)(5) of the Act.¹³

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather to provide greater harmonization among Exchange and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance for common members and facilitating FINRA's performance of its regulatory functions under the 17d-2 Agreement.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act¹⁴ and paragraph (f)(6) of Rule 19b-4

thereunder.¹⁵ The proposed rule change effects a change that (A) does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is: (1) Necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

[File No. 500-1]

Accentia Biopharmaceuticals, Inc. and Biostem U.S. Corp., Order of Suspension of Trading

October 16, 2015.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Accentia Biopharmaceuticals, Inc. (CIK No. 1310094), a dissolved Florida corporation with its principal place of business listed as Tampa, Florida, with stock quoted on OTC Link (previously, "Pink Sheets") operated by OTC Markets Group, Inc. ("OTC Link") under the ticker symbol ABPI, because it has not filed any periodic reports since the period ended December 31, 2012. On October 27, 2014, Accentia Biopharmaceuticals received a delinquency letter sent by the Division of Corporation Finance requesting compliance with their periodic filing obligations.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Biostem U.S. Corp. (CIK No. 1455380), a revoked Nevada corporation with its principal place of business listed as Clearwater, Florida, with stock quoted on OTC Link under the ticker symbol HAIR, because it has not filed any periodic reports since the period ended November 30, 2012. On November 7, 2014, the Division of Corporation Finance sent Biostem U.S. a delinquency letter requesting compliance with their periodic filing obligations, but the letter was returned because of Biostem U.S.'s failure to maintain a valid address on file with the Commission, as required by Commission rules (Rule 301 of Regulation S-T, 17 CFR 232.301 and Section 5.4 of EDGAR Filer Manual).

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed companies.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed companies is suspended for the period from 9:30 a.m. EDT on October 16, 2015, through 11:59 p.m. EDT on October 29, 2015.

By the Commission.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-76139; File No. SR-NASDAQ-2015-116]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Mini Options

October 14, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 8, 2015, The NASDAQ Stock Market LLC (“NASDAQ” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by NASDAQ. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

NASDAQ proposes to amend Supplementary Material .08 to Chapter IV, Section 6 (Series of Options Contracts Open for Trading), entitled “Mini Options Contracts.” Specifically, the Exchange proposes to replace the name “Google Inc.” with “Alphabet Inc.”

The Exchange requests that the Commission waive the 30-day operative delay period contained in Exchange Act Rule 19b-4(f)(6)(iii).³

The text of the proposed rule change is available on the Exchange’s Web site at <http://www.nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Supplementary Material .08 to Chapter IV, Section 6, regarding Mini Options traded on Nasdaq, to replace the name “Google Inc.” with “Alphabet Inc.” Google Inc. (“Google”) recently announced plans to reorganize and create a new public holding company, which will be called Alphabet Inc. (“Alphabet”). As a result of the holding company reorganization, each share of Class A Common Stock (“GOOGL”), which the Exchange has listed as a Mini Option, will automatically convert into an equivalent corresponding share of Alphabet Inc. stock.⁴ The symbol “GOOGL” remains unchanged.

³ 17 CFR 240.19b-4(f)(6)(iii).

⁴ The Class C Capital Stock (“GOOG”) which is also impacted by the reorganization are not eligible

The Exchange is proposing to make this change to Supplementary Material .08 to Chapter IV, Section 6 to enable the continued trading of Mini Options on Google’s, now Alphabet’s Class A shares. The Exchange is proposing to make this change because, on October 5, 2015 Google reorganized and as a result underwent a name change.

The purpose of this change is to ensure that Supplementary Material .08 to Chapter IV, Section 6 reflects the intention and practice of the Exchange to trade Mini Options on only an exhaustive list of underlying securities outlined in Supplementary Material .08. This change is meant to continue the inclusion of Class A shares of Google in the current list of underlying securities that Mini Options can be traded on, while continuing to make clear that class C shares of Google are not part of that list as that class of options has not been approved for Mini Options trading. As a result, the proposed change will help avoid confusion.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the proposed rule change to change the name Google to Alphabet to reflect the new ownership structure is consistent with the Act because the proposed change is merely updating the current name associated

to be listed as Mini Options on the Exchange, only the Class A Common Stock.
