[Docket No. FDA–2015–N–3579]

Using Technologies and Innovative Methods To Conduct Food and Drug Administration-Regulated Clinical Investigations of Investigational Drugs; Establishment of a Public Docket

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; establishment of docket; request for comments.

SUMMARY: The Food and Drug Administration (FDA or Agency) is announcing the establishment of a public docket to solicit input from a broad group of stakeholders on the scope and direction of the use of technologies and innovative methods in the conduct of clinical investigations. Specifically, FDA seeks information to understand individual and industry experiences with the use of such technologies to more efficiently conduct clinical research. FDA also seeks stakeholder perspectives on possible barriers to implementing these technologies and methods to conduct clinical investigations.
