The Office of Workers' Compensation Programs is in receipt of requests from interested parties for an extension of time to provide comments on the candidates listed in the previous notice. In response to these requests, the Secretary now extends the deadline for submission of public comments by an additional 21 days, to November 19, 2015. Although this extension will delay the selection process, we think it is important for the commenters to have the time they requested to comment.

App. 2. The purpose of the Board is to advise the Secretary with respect to: (1) The Site Exposure Matrices (SEM) of the Department of Labor; (2) medical guidance for claims examiners for claims with the EEOICPA program, with respect to the weighing of the medical evidence of claimants; (3) evidentiary requirements for claims under Part B of EEOICPA related to lung disease; and (4) the work of industrial hygienists and staff physicians and consulting physicians of the Department of Labor and reports of such hygienists and physicians to ensure quality, objectivity, and consistency.
