

SUMMARY: The United States Travel and Tourism Advisory Board (Board) will hold an open meeting at the Department of Commerce on Friday, November 20, 2015. The Board was re-chartered in August 2015, to advise the Secretary of Commerce on matters relating to the U.S. travel and tourism industry.

The purpose of the meeting is for Board members to review and deliberate on recommendations developed by the BrandUSA subcommittee looking at a new vetting process for matching fund requests submitted by Brand USA as well as two recommendations by the Cultural and Natural Heritage subcommittee looking at recommendations of promoting domestic travel and arts funding. The final agenda will be posted on the Department of Commerce Web site for the Board at <http://trade.gov/ttab>, at least one week in advance of the meeting.

DATES: Friday, November 20, 2015, 10:00 a.m.–2:00 p.m. The deadline for members of the public to register, including requests to make comments during the meeting and for auxiliary aids, or to submit written comments for dissemination prior to the meeting, is 5 p.m. EDT on November 13, 2015.

ADDRESSES: The meeting will be held at the Department of Commerce. Requests to register (including to speak or for auxiliary aids) and any written comments should be submitted to: U.S. Travel and Tourism Advisory Board, U.S. Department of Commerce, Room 4043, 1401 Constitution Avenue NW., Washington, DC 20230, archana.sahgal@trade.gov. Members of the public are encouraged to submit registration requests and written comments via email to ensure timely receipt.

FOR FURTHER INFORMATION CONTACT: Archana Sahgal, the United States Travel and Tourism Advisory Board, Room 4043, 1401 Constitution Avenue NW., Washington, DC 20230, telephone: 202-482-1369, email: archana.sahgal@trade.gov.

SUPPLEMENTARY INFORMATION:

Background: The Board advises the Secretary of Commerce on matters relating to the U.S. travel and tourism industry.

Public Participation: The meeting will be open to the public and will be accessible to people with disabilities. All guests are required to register in advance by the deadline identified under the **DATES** caption. Requests for auxiliary aids must be submitted by the registration deadline. Last minute requests will be accepted, but may be

impossible to fill. There will be fifteen (15) minutes allotted for oral comments from members of the public joining the meeting. To accommodate as many speakers as possible, the time for public comments may be limited to three (3) minutes per person. Individuals wishing to reserve speaking time during the meeting must submit a request at the time of registration, as well as the name and address of the proposed speaker. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, the International Trade Administration may conduct a lottery to determine the speakers. Speakers are requested to submit a written copy of their prepared remarks by 5:00 p.m. on Friday, November 13, 2015, for inclusion in the meeting records and for circulation to the members of the Travel and Tourism Advisory Board.

In addition, any member of the public may submit pertinent written comments concerning the Board's affairs at any time before or after the meeting. Comments may be submitted to Archana Sahgal at the contact information indicated above. To be considered during the meeting, comments must be received no later than 5:00 p.m. EDT on November 13, 2015, to ensure transmission to the Board prior to the meeting. Comments received after that date and time will be distributed to the members but may not be considered on the call. Copies of Board meeting minutes will be available within 90 days of the meeting.

Dated: October 30, 2015.

Archana Sahgal,

Executive Secretary, United States Travel and Tourism Advisory Board.

DEPARTMENT OF COMMERCE

**Submission for OMB Review;
Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Minority Business Development Agency

Title: Online Customer Relationship Management (CRM)/Performance Databases, Online Phoenix Database, and Online Opportunity Database.

OMB Control Number: 0640-0002.

Form Number(s): 0640-002.

Type of Request: Regular Submission.

Number of Respondents: 29,206.

Average Hours per Response: 1 to 210 minutes depending upon function.

Burden Hours: 4,496.

Needs and Uses: This request is for a revision with change to a current information collection. This revision continues an existing collection but adds a revised form to be used by the MBDA Business Centers. As part of its national service delivery system, MBDA awards cooperative agreements each year to fund the provision of business development services to eligible minority business enterprises (MBEs). The recipient of each cooperative agreement is competitively selected to operate one of the following business center programs: (1) An MBDA Business Center or (2) an American Indian Alaska Native (AIAN) Center. In accordance with the Government Performance Results Act (GPRA), MBDA requires all center operators to report basic client information, service activities and progress on attainment of program goals via the online CRM/Performance Databases. The data collected through the Online CRM/Performance Databases is used to regularly monitor and evaluate the progress of MBDA's funded centers, to provide the Department and OMB with a summary of the quantitative information that it requires about government supported programs, and to implement the GPRA. This information is also summarized and included in the MBDA Annual Performance Report, which is made available to the public, and may be used to support federal government research studies regarding minority business development issues.

Additionally, the AINA program award recipients are required to maintain content for the CRM/Performance system and the Phoenix and other available online tools. The content registered in the Phoenix and other online business databases is used to match those registered MBEs with opportunities entered in the online databases by public and private sector entities. The MBEs may also self-register via the Online Phoenix Database for notification of potential business opportunities.

Affected Public: Business or other for-profit organizations; not-for-profit institutions; individuals or households; Federal, State, Local or Tribal governments.

Frequency: On occasion, semi-annually, annually.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of

Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to *OIRA_Submission@omb.eop.gov* or fax to (202) 395-5806.

Dated: October 30, 2015.

Glenna Mickelson,

Management Analyst, Office of the Chief Information Officer.

Atlantic Highly Migratory Species; Exempted Fishing, Scientific Research, Display, Shark Research Fishery, and Chartering Permits; Letters of Acknowledgment

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of intent; request for comments.

SUMMARY: NMFS announces its intent to issue Exempted Fishing Permits (EFPs), Scientific Research Permits (SRPs), Display Permits, Letters of Acknowledgment (LOAs), Shark Research Fishery Permits, and Chartering Permits for Atlantic highly migratory species (HMS) in 2016. Exempted fishing permits and related permits would authorize collection of a limited number of tunas, swordfish, billfishes, and sharks (collectively known as HMS) from Federal waters in the Atlantic Ocean, Caribbean Sea, and Gulf of Mexico for the purposes of scientific data collection, bycatch research, and public display. Chartering permits allow the collection of HMS on the high seas or in the Exclusive Economic Zone of other nations under certain conditions. Generally, EFPs and related permits will be valid from the date of issuance through December 31, 2016, unless otherwise specified, subject to the terms and conditions of individual permits.

DATES: Written comments on these activities received in response to this notice will be considered by NMFS when issuing EFPs and related permits and must be received on or before *December 4, 2015*.

ADDRESSES: Comments may be submitted by any of the following methods:

- *Email:* nmfs.hms.efp2016@noaa.gov. Include in the subject line the following identifier: 0648-XE257.

- *Mail:* Craig Cockrell, Highly Migratory Species Management Division (F/SF1), NMFS, 1315 East-West Highway, Silver Spring, MD 20910.

SUPPLEMENTARY INFORMATION: Issuance of EFPs and related permits are necessary for the collection of HMS for scientific research; the acquisition of information and data; the enhancement of safety at sea; the purpose of collecting animals for public education or display; and the investigation of bycatch, economic discards and regulatory discards. These permits exempt permit holders from regulations (*e.g.*, fishing seasons, prohibited species, authorized gear, closed areas, and minimum sizes) that may otherwise prohibit the collection of HMS. Collection under EFPs, SRPs, LOAs, display, shark research fishery, and chartering permits represents a small portion of the overall fishing mortality for HMS, and this mortality is counted against the quota of the species harvested, as appropriate and applicable. The terms and conditions of individual permits are unique; however, all permits will include reporting requirements, limit the number and/or species of HMS to be collected, and only authorize collection in Federal waters of the Atlantic Ocean, Gulf of Mexico, and Caribbean Sea.

EFPs and related permits are issued under the authority of the Magnuson-Stevens Fishery Conservation and Management Reauthorization Act (Magnuson-Stevens Act) (16 U.S.C. 1801 *et seq.*) and/or the Atlantic Tunas Convention Act (ATCA) (16 U.S.C. 971 *et seq.*). Regulations at 50 CFR 600.745 and 635.32 govern scientific research activity, exempted fishing, chartering arrangements, and exempted public display and educational activities with respect to Atlantic HMS. Since the Magnuson-Stevens Act does not define fishing to include scientific research, scientific research is exempt from this statute, and NMFS does not issue EFPs for bona fide research activities (*e.g.*, research conducted from a research vessel and not a commercial or recreational fishing vessel) involving species that are only regulated under the Magnuson-Stevens Act (*e.g.*, most species of sharks) and not under ATCA. NMFS generally does not consider recreational or commercial vessels to be

bona fide research vessels. However, if the vessels have been contracted only to conduct research and not participate in any commercial or recreational fishing activities during that research, NMFS may consider those vessels as bona fide research platforms while conducting the specified research. For example, in the past, NMFS has determined that commercial pelagic longline vessels assisting with population surveys for sharks may be considered “bona fide research vessels” while engaged only in the specified research. NMFS requests copies of scientific research plans for these activities and acknowledges the activity by issuing an LOA to researchers to indicate that the proposed activity meets the definition of research. Examples of research conducted under LOAs include tagging and releasing of sharks during bottom longline surveys to understand the distribution and seasonal abundance of different shark species, and collecting and sampling sharks caught during trawl surveys for life history studies.

Scientific research is not exempt from regulation under ATCA. NMFS issues SRPs which authorize researchers to collect HMS from bona fide research vessels for collection of species managed under this statute (*e.g.*, tunas, swordfish, billfish, and some species of sharks). One example of research conducted under SRPs consists of scientific surveys of HMS conducted from NOAA research vessels. EFPs are issued to researchers collecting ATCA and Magnuson-Stevens Act-managed species and conducting research from commercial or recreational fishing vessels. NMFS regulations concerning the implantation or attachment of archival tags in Atlantic HMS require scientists to report their activities associated with these tags. Examples of research conducted under EFPs include deploying pop-up satellite archival tags (PSAT) on billfish, sharks, and tunas to determine migration patterns of these species; conducting billfish larval tows to determine billfish habitat use, life history, and population structure; and determining catch rates and gear characteristics of the swordfish buoy gear fishery.

NMFS is also seeking public comment on its intent to issue display permits for the collection of sharks and other HMS for public display in 2016. Collection of sharks and other HMS sought for public display in aquaria often involves collection when the commercial fishing seasons are closed, collection of otherwise prohibited species, and collection of fish below the regulatory minimum size. NMFS established a 60-metric ton (mt) whole weight (ww)
