

NICCS Cybersecurity Training Course Form and the NICCS Cybersecurity Certification Form to be displayed on a publicly accessible Web site called the National Initiative for Cybersecurity Careers and Studies (NICCS) Portal (<http://niccs.us-cert.gov/>). Collected information from these two forms will be included in the Cybersecurity Training and Education Catalog that is hosted on the NICCS Portal.

The DHS CE&A NICCS Supervisory Office will use information collected from the NICCS Vetting Criteria Form to primarily manage communications with the training/workforce development providers; this collected information will not be shared with the public and is intended for internal use only. Additionally, this information will be used to validate training providers before uploading their training and certification information to the Training Catalog.

The information will be collected via fully electronic or partially electronic means. Collection will be coordinated between the public and DHS CE&A via email ([niccs@hq.dhs.gov](mailto:niccs@hq.dhs.gov)). The following form is fully electronic: NICCS Vetting Criteria Web Form. The following forms are partially electronic: NICCS Cybersecurity Training Course Form and NICCS Certification Course Form. All partially electronic forms are created in excel. The NICCS SO is looking to develop and transition partially electronic forms to fully electronic web forms. This transition is dependent on contract requirements and available department funding. All information collected from the NICCS Cybersecurity Training Course Form, the NICCS Cybersecurity Training Course Web Form, and the NICCS Certification Course Form will be stored in the public accessible NICCS Cybersecurity Training and Education Catalog (<http://niccs.us-cert.gov/training/training-home>). The NICCS Supervisory Office will electronically store information collected via the NICCS Vetting Criteria Form. This information will not be publicly accessible.

There is no assurance of confidentiality provided to the respondents. This collection is covered by the existing Privacy Impact Assessment, DHS General Contact List (DHS/ALL/PIA-006) and the existing Systems of Records Notice, Department of Homeland Security (DHS) Mailing and other Lists Systems (DHS/ALL/SORN-002). DHS CE&A has revised the collection to reflect three changes. These changes include the addition of: Training/WFD Provider Logo, Organization URL and National Cybersecurity Workforce Framework

Role collection. These changes were added based on input received from the public. Including provider logos and an organization URL allows users to more easily find organization information. The addition of Cybersecurity Workforce Framework Role information will allow users to better align their courses with specific cybersecurity roles found in the newest Workforce Framework. The adjustments reported in the estimates of burden were based on historical data and current training provider outreach. The estimate of annualized cost was updated based off of actual wage.

The prior information collection request for OMB No. 1601-0016 was approved through April 30, 2015 by OMB. This collection will be submitted to OMB for review to request reinstatement of the collection. DHS CE&A has revised the collection to reflect three changes. These changes include the addition of: Training/WFD Provider Logo, Organization URL, National Cybersecurity Workforce Framework Role collection. These changes were added based on input received from the public. Including provider logos and an organization URL allows users to more easily find organization information. The Office of Management and Budget is particularly interested in comments which:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

[Docket No. FR-5828-N-46]

### Federal Property Suitable as Facilities To Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also

published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88–2503–OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, The Department of Health and Human Services, Room 5B–17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443–2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable

law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040, Washington, DC 20405, (202) 501–0084; (This is not a toll-free number).
