Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where

property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense.

Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: AGRICULTURE: Ms. Debra Kerr, Department of Agriculture, Reporters Building, 300 7th Street SW., Room 300, Washington, DC 20024, (202) 720-8873; GSA: Mr. Flavio

Notice of Availability of the Draft Resource Management Plan Amendment and Supplemental Environmental Impact Statement for the Roan Plateau Planning Area, Colorado

AGENCY: Bureau of Land Management,
 Interior.

ACTION: Notice.

SUMMARY: In accordance with the
 National Environmental Policy Act of
 1969, as amended (NEPA), and the

Federal Land Policy and Management
 Act of 1976, as amended, the Bureau of
 Land Management (BLM) has prepared

 (RMP) Amendment and Draft
 Supplemental Environmental Impact
 Statement (EIS) for the Roan Plateau
 planning area and by this notice is
 announcing the opening of a 90-day
 comment period.

DATES: To ensure that comments will be
 considered, the BLM must receive
 written comments on the Draft RMP
 Amendment/Draft Supplemental EIS
 within 90 days following the date the
 U.S. Environmental Protection Agency
 (EPA) publishes its notice of the Draft
 RMP Amendment/Draft Supplemental
 EIS in the **Federal Register**. The BLM
 will announce future meetings or
 hearings and any other public
 participation activities at least 15 days
 in advance through public notices,
 media releases, and/or mailings.

SUPPLEMENTARY INFORMATION: The BLM
 prepared the Roan Plateau Draft RMP
 Amendment/Supplemental EIS to
 evaluate a range of management
 decisions for resources, resource uses
 and special designations and to respond
 to a June 22, 2012, ruling by the United
 States District Court for the District of
 Colorado remanding the 2007 and 2008
 Roan Plateau Records of Decision. The
 Court set aside the 2007 Roan Plateau
 Plan amendment and remanded the
 matter to the BLM for further action in

accordance with the Court's decision. In
 particular, the Court found that the
 Final EIS was deficient insofar as it
 failed to sufficiently address: (i) The
 "Community Alternative" that various
 local governments, environmental
 organizations, and individual members
 of the public recommended; (ii) The
 cumulative air quality impacts of the
 Plan amendment decision in
 conjunction with anticipated oil and gas
 development on private lands outside
 the Roan Plateau Planning Area; and
 (iii) The issue of potential ozone
 impacts from proposed oil and gas
 development. In view of the Court's
 ruling and new information available
 since the BLM developed the Final EIS,
 the BLM determined that a new
 proposed Plan Amendment and a
 supplemental analysis under NEPA
 were warranted. Additionally, a
 settlement agreement was reached
 among the parties involved in the
 litigation in November 2014. The
 Supplemental EIS includes an
 alternative that was part of the
 November 2014 settlement.

The Planning Area, which is in west-
 central Colorado, includes
 approximately 73,602 acres of Federal
 land (Federal surface, Federal mineral
 estate, or both), and is located primarily
 in Garfield County with a small portion
 in southern Rio Blanco County. The
 Roan Plateau RMP Amendment
 proposes to amend the Glenwood
 Springs and White River RMPs for the
 resource management decisions within
 the Planning Area. The BLM began
 developing the Roan Plateau RMP
 Amendment with scoping in 2000. The
 Draft EIS was published in November
 2004. The Final EIS was published in
 August 2006. The BLM then issued two
 Records of Decision, one in June 2007
 and a second, pertaining to Areas of
 Critical Environmental Concern, in
 March 2008. Following the District
 Court ruling in 2012, the Notice of
 Intent to develop the Draft RMP
 Amendment/Supplemental EIS was
 published in January 2013, initiating a
 second scoping period. The BLM held
 two public scoping meetings in
 February 2013 and received
 approximately 25,000 comment
 submissions during the scoping period.
 The Colorado River Valley Field Office
 held eight Cooperating Agency meetings
 for the Supplemental EIS. Cooperating
 agencies included the EPA, the U.S.
 Fish and Wildlife Service, the Colorado
 Department of Natural Resources and
 Colorado Parks and Wildlife, the City of
 Rifle, the towns of Silt and Parachute,
 and Rio Blanco, Garfield, and Mesa
 Counties. No other Federal agencies
