

represents provides the data and information required under 39 CFR 3010.12; three attachments to the Notice; and two sets of workpapers filed as library references. Attachment A presents the proposed Mail Classification Schedule changes (in legislative format) related to the five promotions. Attachment B provides a 2016 promotions calendar with detailed descriptions of the five promotions. Attachment C outlines the Postal Service's price cap calculation. The Postal Service also provides library references in support of its assertion that the temporary promotions comply with the price cap.²

B. Planned Temporary Promotions

The Postal Service seeks approval for the following five promotions for the periods indicated:

- Emerging and Advanced Technology/Video in Print Promotion (March–August 2016);
- Tactile, Sensory, and Interactive Mailpiece Engagement Promotion (March–August 2016);
- Earned Value Reply Mail Promotion (April–June 2016);
- Mobile Shopping Promotion (July–December 2016); and
- Personalized Color Transpromo Promotion (July–December 2016).

Notice at 3–6. The Postal Service asserts that these five promotions are continuations of the calendar year (CY) 2015 technology promotions and the Earned Value Reply Mail promotion approved by the Commission in Docket No. R2015–4.³ Three promotions apply to First-Class Mail products: Emerging and Advanced Technology/Video in Print Promotion; Earned Value Reply Mail Promotion; and Personalized Color Transpromo Promotion. Four promotions apply to Standard Mail products: Emerging and Advanced Technology/Video in Print Promotion; Tactile, Sensory, and Interactive Mailpiece Engagement Promotion; Earned Value Reply Mail Promotion; and Mobile Shopping Promotion.

The Postal Service states that its price cap calculation reflects the expiration of the CY 2015 First-Class Mail and Standard Mail promotions and the renewal of those promotions in CY 2016. Notice at 6. The Postal Service

asserts that there is no change in the unused price adjustment authority because the Notice is limited to continuing the promotions offered in 2015. *Id.*

In its Notice, the Postal Service provides a calculation of its new overall price adjustment authority for First-Class Mail and Standard Mail. Combining the unused price adjustment authority with the inflation-based price adjustment authority, the Postal Service calculates that there will be 0.074 percent in unused pricing authority available for First-Class Mail and 0.104 percent available for Standard Mail. *Id.* at 9, Table 1.

The Postal Service asserts the five temporary promotions do not affect workshare discounts. *Id.* at 12. Since the program does not exclude any mailers, the Postal Service also asserts the promotions do not affect compliance with any preferred price requirement. *Id.*
