How does this notice affect SEVP-certified schools?

SEVP-certified schools must replace old Forms I–20 with the new version, produced through SEVIS. All prospective and active F–1 and M–1 students and their accompanying F–2 and M–2 dependents must be issued and use the new Forms I–20 no later than June 30, 2016. SEVP will not approve additional time for schools to comply.

How does this notice affect F–1 and M–1 students and their F–2 and M–2 dependents?

All prospective and active F–1 and M–1 students and their accompanying F–2 and M–2 dependents must be issued and use new Forms I–20 no later than June 30, 2016. The old Forms I–20 will be replaced by new Forms I–20. At that time, bearers of the old Forms I–20 will be denied admission at ports-of-entry; old Forms I–20 will not be accepted as supporting documentation with applications for other nonimmigrant benefits.

How is SEVIS used to support F and M nonimmigrant admission into, and oversight while in, the United States?

SEVIS is an internet-based reporting and tracking system that is accessible by U.S. government agencies involved in the admission and oversight of nonimmigrants in the United States, as well as by authorized officials at SEVP-certified schools and Department of State (DOS)-designated exchange visitor programs. Data and information on F and/or M nonimmigrants are maintained in SEVIS, collected during the admission process and throughout the length of their stay in the United States. Foreign students who wish to study in the United States must first apply to an SEVP-certified school. When a foreign student accepts an offer to study, a designated school official at the applicable school will access SEVIS to enter the student record and accompanying information electronically prior to issuing a Form I–20 to each individual that will be applying for admission into the United States. Authorized consular officials may use SEVIS data through an interface to the DOS Consolidated Consular Database to support the visa issuance process, and to associated agents such as DOS, U.S. Customs and Border Protection officials to access SEVIS information at ports-of-entry to verify or clarify a prospective F or M nonimmigrant’s entry eligibility.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 708–2565 (TTY number for the hearing- and speech-impaired (202) 708–2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800–927–7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in National Coalition for the Homeless v. Veterans Administration, No. 88–2503–OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unavailable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) its intention to declare the property excess to the agency’s needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for “off-site use only” recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B–17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443–2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the Federal Register, the landholding agency, and the property number.
For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW, Room 7040, Washington, DC 20405, (This is not a toll free number).

Receipt of Documented Petitions for Federal Acknowledgment of American Indian Tribes

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: Under Part 83 of Title 25 of the Code of Federal Regulations (25 CFR part 83), the Department of the Interior (Department) gives notice of three groups that have each filed a documented petition for Federal acknowledgment as an American Indian tribe with the Assistant Secretary—Indian Affairs. The Department seeks comment and evidence from the public on the petitions listed below.

DATES: Comments and evidence must be postmarked March 28, 2016.

ADDRESSES: Copies of the narrative portion of the documented petitions, as submitted by the petitioner (with any redactions appropriate under § 83.21(b)), and other information are available at the Office of Federal Acknowledgment’s (OFA) Web site: www.bia.gov/WhoWeAre/AS-IA/OFA. Submit any comments or evidence to: Mr. R. Lee Fleming, Director, Office of Federal Acknowledgment, U.S. Department of the Interior, MS–34B–SIB, 1951 Constitution Avenue NW., Washington, DC 20240 or by email to: lee.fleming@bia.gov.

FOR FURTHER INFORMATION CONTACT: Mr. R. Lee Fleming, OFA Director, Office of the Assistant Secretary—Indian Affairs, (202) 513–7650.

SUPPLEMENTARY INFORMATION: On July 31, 2015, the Department’s revisions to 25 CFR part 83 became final and effective (80 FR 37861). A key goal of the revisions was to improve transparency through increased notice of petitions and providing improved public access to petitions. Today the Department informs the public that three documented petitions have been submitted under the current regulations, that portions of those petitions are publicly available on the Web site identified below for easy access, and that we are seeking public comment early in the process on these petitions.

Pursuant to the regulations, OFA notified 15 groups that the Department had identified them as having previously submitted complete documented petitions, under the 1994 acknowledgment regulations, which had
