##### Electronic and Facsimile Availability

The text of the List of Medical Supplies and additional information concerning OFAC are available from OFAC's Web site ([www.treasury.gov/ofac](http://www.treasury.gov/ofac)). Certain general information

pertaining to OFAC's sanctions programs also is available via facsimile through a 24-hour fax-on-demand service, tel.: 202-622-0077.

#### Background

On October 22, 2012, OFAC published a final rule in the **Federal Register** (77 FR 64664) that, among other things, amended section 560.530 of the Iranian Transactions and Sanctions Regulations, 31 CFR part 560 (ITSR), to add a general license, in new paragraph (a)(3), authorizing the exportation or reexportation of medicine and basic medical supplies to Iran. The term "basic medical supplies" was defined to mean those medical devices, as defined in paragraph (e)(3) of section 560.530, that were included on the "List of Basic Medical Supplies" on the OFAC Web site ([www.treasury.gov/ofac](http://www.treasury.gov/ofac)) on the Iran Sanctions page, but not including replacement parts. On the same day, OFAC also posted the List of Basic Medical Supplies on its Web site (78 FR 54731). OFAC updated the List of Basic Medical Supplies on its Web site on July 25, 2013, and subsequently published notice of the update in the **Federal Register** (78 FR 54731).

On April 7, 2014, OFAC published a final rule in the **Federal Register** (79 FR 18990) that, among other things, updated the definition of "basic medical supplies" to exclude the word "basic" and make related conforming changes. Accordingly, the rule further provided that the "List of Basic Medical Supplies" published on the OFAC Web site and in the **Federal Register** would now be called the "List of Medical Supplies."

As highlighted in the note to paragraph (a)(3)(ii) of section 560.530 of the ITSR, the List of Medical Supplies is maintained on OFAC's Web site and will be published in the **Federal Register**, as will any changes to the list. On November 2, 2015, OFAC updated the List of Medical Supplies on its Web site to read as follows:
