

minimum price variance above (for offers) or below (for bids) the national best price.

The Exchange believes that the amendment to the Market Order Spread Protection language does not otherwise create an impediment to a free and open market because the repricing due to trade throughs and locked and crossed markets exists today and serve to protect against trading through or locking or crossing another market. This proposal reflects the impact of repricing due to trade-through and locked and crossed market restrictions on the Market Order Spread Protection feature.

By reflecting the proper rule text to account for trade-through and locked and crossed market restrictions, the Exchange is providing Participants with additional information with which to anticipate the impact of the Market Order Spread Protection feature.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposal to amend the Market Order Spread Protection rule text to account [sic] repricing due to trade-through and locked and crossed market restrictions creates an undue burden on competition because it will serve to provide Participants with greater information to anticipate the impact of the Market Order Spread Protection feature. Today, Participants' orders are repriced due to trade-through and locked and crossed market restrictions. The purpose of this rule change is to protect market orders resting on the Order Book when the market is wide. This feature will be applied in a similar manner to all Participants on BX.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and by its terms does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective

pursuant to Section 19(b)(3)(A)¹¹ of the Act and Rule 19b-4(f)(6) thereunder.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: Necessary or appropriate in the public interest; for the protection of investors; or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

[Release No. 34-76532; File No. SR-FINRA-2015-050]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Update Rule Cross-References and Make Non-Substantive Technical Changes to Certain FINRA Rules

December 1, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 24, 2015, Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

¹¹ 15 U.S.C. 78s(b)(3)(A).

¹² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

² 17 CFR 240.19b-4.

³ 17 CFR 240.19b-4(f)(6).

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

FINRA is proposing to update cross-references and make other non-substantive changes within FINRA rules, primarily as the result of approval of a new consolidated FINRA rule.

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

FINRA is in the process of developing a consolidated rulebook ("Consolidated FINRA Rulebook").⁴ That process involves FINRA submitting to the Commission for approval a series of proposed rule changes over time to adopt rules in the Consolidated FINRA Rulebook. The phased adoption and implementation of those rules necessitates periodic amendments to update rule cross-references and other non-substantive changes in the Consolidated FINRA Rulebook.

The proposed rule change would make several such changes, as well as other non-substantive changes unrelated to the adoption of rules in the Consolidated FINRA Rulebook.

First, the proposed rule change would update rule cross-references to reflect

⁴ The current FINRA rulebook consists of (1) FINRA Rules; (2) NASD Rules; and (3) rules incorporated from NYSE ("Incorporated NYSE Rules") (together, the NASD Rules and Incorporated NYSE Rules are referred to as the "Transitional Rulebook"). While the NASD Rules generally apply to all FINRA members, the Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE ("Dual Members"). The FINRA Rules apply to all FINRA members, unless such rules have a more limited application by their terms. For more information about the rulebook consolidation process, see *Information Notice*, March 12, 2008 (Rulebook Consolidation Process).

the adoption of a consolidated equity research conflict of interest rule. On July 16, 2015, the SEC approved a proposed rule change to adopt NASD Rule 2711 as FINRA Rule 2241 (Research Analysts and Research Reports), with several modifications. As part of that rule filing, FINRA also amended FINRA Rule 9610, NASD Rule 1050, and Incorporated NYSE Rules 344 and 472, and deleted in their entirety the corresponding Incorporated NYSE Rule 351 and Incorporated NYSE Rule Interpretation 472.⁵ Rule 2241 will be fully implemented on December 24, 2015. As such, the proposed rule change would update references to the new rule number in FINRA Rules 1250 (Continuing Education Requirements), 2210 (Communications with the Public), 5230 (Payments Involving Publications that Influence the Market Price of a Security), and 9217 (Violations Appropriate for Disposition Under Plan Pursuant to SEA Rule 19d-1(c)(2)).⁶

Second, the proposed rule change would make technical changes to FINRA Rules 2272 (Sales and Offers of Securities on Military Installations)⁷ and 6250 (Quote and Order Access Requirements)⁸ to reflect FINRA Manual style convention changes and correct cross references within Rule 6250, respectively.

Finally, the proposed rule change would also delete from the FINRA Manual the Series heading for NASD Rules 2400 (Commissions, Mark-ups and Charges) and 2700 (Securities Distributions) to reflect that the NASD Rules 2400⁹ and 2700¹⁰ Series have fully been consolidated into the FINRA rules.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days

⁶ The proposed rule change also would delete a reference in FINRA Rule 9217 to Incorporated NYSE Rule 345.11, which was previously deleted from the FINRA Manual. See Securities Exchange Act Release No. 73966 (December 30, 2014), 80 FR 546 (January 6, 2015) (Order Approving File No. SR-FINRA-2014-038).

⁸ See Securities Exchange Act Release No. 71467 (February 3, 2014), 79 FR 7485 (February 7, 2014) (Order Approving File No. SR-FINRA-2013-053).

⁹ See Securities Exchange Act Release No. 73954 (December 30, 2014), 80 FR 553 (January 6, 2015) (Order Approving File No. SR-FINRA-2014-037).

¹⁰ See Securities Exchange Act Release No. 75471 (July 16, 2015), 80 FR 43482 (July 22, 2015) (Order Approving File No. SR-FINRA-2014-047).

after the date of the filing, so that FINRA can implement the proposed rule change to coincide with effective dates of the relevant consolidated FINRA rules. The implementation date for the proposed changes to FINRA Rules 1250, 2210, 5230, 6250, and 9217 and the proposed deletion of the NASD Rule 2400 and 2700 Series headings will be December 24, 2015. The implementation date for the proposed rule change to FINRA Rule 2272 will be March 30, 2016.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹¹ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes the proposed rule change will provide greater clarity to members and the public regarding FINRA's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change brings clarity and consistency to FINRA rules without adding any burden on firms.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and subparagraph (f)(6) of Rule 19b-4 thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative before 30 days from

¹¹ 15 U.S.C. 78o-3(b)(6).

¹² 15 U.S.C. 78s(b)(3)(A)(iii).

¹³ 17 CFR 240.19b-4(f)(6).

the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

FINRA has asked the Commission to waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Such waiver will allow FINRA to implement the proposed rule change to coincide with the effective dates of the relevant consolidated FINRA rules. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change to be operative upon filing with the Commission.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. Extension:

Rules 17Ad-22—Clearing Agency Standards and Governance, SEC File No. 270-646, OMB Control No. 3235-0695.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA")(44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rules 17Ad-22 under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection

of information to the Office of Management and Budget ("OMB") for extension and approval.

i. Standards for Clearing Agencies

a. Measurement and Management of Credit Exposures

Rule 17Ad-22(b)(1) would require a clearing agency that provides CCP services to establish, implement, maintain and enforce written policies and procedures reasonably designed to measure its credit exposures to its participants at least once each day, and limit its exposures to potential losses from defaults by its participants in normal market conditions so that the operations of the clearing agency would not be disrupted and non-defaulting participants would not be exposed to losses that they cannot anticipate or control. The purpose of the collection of information is to enable the clearing agency to monitor and limit its exposures to its participants.

b. Margin Requirements

Rule 17Ad-22(b)(2) would require a clearing agency that provides CCP services to establish, implement, maintain and enforce written policies and procedures reasonably designed to: (i) Use margin requirements to limit its credit exposures to participants in normal market conditions; (ii) use risk-based models and parameters to set margin requirements; and (iii) review the models and parameters at least monthly. The purpose of the collection of information is to enable the clearing agency to maintain sufficient collateral or margin.

c. Financial Resources

Rule 17Ad-22(b)(3) would require a clearing agency that provides CCP services to establish, implement, maintain and enforce written policies and procedures reasonably designed to maintain sufficient financial resources to withstand, at a minimum, a default by the participant family to which it has the largest exposure in extreme but plausible market conditions, provided that a registered clearing agency acting as a central counterparty for security-based swaps shall maintain additional financial resources sufficient to withstand, at a minimum, a default by the two participant families to which it has the largest exposures in extreme but plausible market conditions, in its capacity as a central counterparty for security-based swaps. The purpose of the collection of information is to enable the clearing agency to satisfy all of its settlement obligations in the event of a participant default.
