SUPPLEMENTARY INFORMATION:

Background

On August 3, 2015, the Department initiated a sunset review of the *CVD Order*¹ on ribbons from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On August 14, 2015, the Department received a notice of intent to participate in the review on behalf of Berwick Offray LLC and its wholly-owned subsidiary Lion Ribbon Company, LLC (collectively, Berwick Offray) within the deadline specified in 19 CFR 351.218(d)(1)(i). Berwick Offray claimed interested party status under section 771(9)(C) of the Act, as domestic producers of the domestic like product.

The Department received adequate substantive responses from the domestic industry within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from the Government of the PRC or any respondent interested party to the proceeding. Because the Department received no response from the respondent interested parties, the Department conducted an expedited review of this *CVD Order*, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)(2) and (C)(2).

Scope of the Order

The merchandise subject to the order is narrow woven ribbons with woven selvedge, in any length, but with a width (measured at the narrowest span of the ribbon) less than or equal to 12 centimeters, composed of, in whole or in part, man-made fibers (whether artificial or synthetic, including but not limited to nylon, polyester, rayon, polypropylene, and polyethylene terephthalate), metal threads and/or metalized yarns, or any combination thereof. The merchandise subject to this order is classifiable under the HTSUS statistical categories 5806.32.1020; 5806.32.1030; 5806.32.1050 and 5806.32.1060. Subject merchandise also

may enter under subheadings 5806.31.00; 5806.32.20; 5806.39.20; 5806.39.30; 5808.90.00; 5810.91.00; 5810.99.90; 5903.90.10; 5903.90.25; 5907.00.60; and 5907.00.80 and under statistical categories 5806.32.1080; 5810.92.9080; 5903.90.3090; and 6307.90.9889. The HTSUS statistical categories and subheadings are provided for convenience and customs purposes; however, the written description of the merchandise under the order is dispositive.³

Analysis of Comments Received

All issues raised in this review are addressed in the Issues and Decision Memorandum. The issues discussed in the Issues and Decision Memorandum include the likelihood of continuation or recurrence of a countervailable subsidy and the net countervailable subsidy likely to prevail if the *CVD Order* were revoked. Parties can find a complete discussion of all issues raised in this expedited sunset review and the corresponding recommendations in this public memorandum, which is on file electronically *via* the Enforcement and Compliance Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Final Results of Review

Pursuant to sections 752(b)(1) and (3) of the Act, we determine that revocation of the *CVD Order* on ribbons from the PRC would be likely to lead to continuation or recurrence of a net countervailable subsidy at the rates listed below:

³ A full description of the scope of the order is contained in the memorandum to Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, from Gary Taverman, Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, "Issues and Decision Memorandum for the Final Results of the Expedited First Sunset Review of the Countervailing Duty Order on Narrow Woven Ribbons with Woven Selvage from the People's Republic of China" (Issues and Decision Memorandum), dated concurrently with these results and hereby adopted by this notice.

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. The Department initiated this review on December 23, 2014.⁴ On March 23, 2015, interested parties timely withdrew all review requests for the following companies: (1) Shanghai Hailiang Copper Co., Ltd.; (2) Zhejiang Hailiang Co., Ltd.; (3) China Hailiang Metal Trading; (4) Foshan Hua Hong Copper Tube Co., Ltd.; (5) Guilin Lijia Metals Co., Ltd.; (6) Hong Kong Hailiang Metal; (7) Ningbo Jintian Copper Tube Co., Ltd.; (8) Shanghai Hailiang Metal Trading Limited; (9) Sinochem Ningbo Ltd.; (10) Sinochem Ningbo Import & Export Co., Ltd.; (11) Taicang City Jinxin Copper Tube Co., Ltd.; (12) Zhejiang Jiahe Pipes Inc.; and (13) Zhejiang Naile Copper Co., Ltd. Verification

As provided in section 782(i) of the Act, the Department verified constructed export price (“CEP”) sales information provided by the Golden Dragon Group Companies. The Department conducted the verification using standard verification procedures including the examination of relevant sales and financial records and the selection and review of original documentation containing relevant information. Further, after the issuance of these preliminary results of review, the Department will verify the remaining sales and production information submitted by the Golden Dragon Group Companies, in the PRC.

The verification reports will be on file electronically *via* Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”). ACCESS is available to registered users at <https://access.trade.gov>, and is available to all parties in the Department’s Central Records Unit, located in room B8024 of the main Department of Commerce building.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(B) of the Act. The Department calculated export prices and constructed export prices in accordance with section 772 of the Act. Because the PRC is a non-market economy country, within the meaning of section 771(18) of the Act, the Department calculated normal value in accordance with section 773(c) of the Act.

Disclosure and Public Comment

The Department intends to disclose to parties the calculations performed for these preliminary results of review within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Interested parties may submit case briefs no later than seven days after the date on which the final verification report is issued in this proceeding.⁷ Rebuttal briefs may be filed no later than five days after case briefs are due and may respond only to arguments raised in the case briefs.⁸ A table of contents, list of authorities used, and an executive summary of issues should accompany any briefs submitted to the Department. The summary should be limited to five pages total, including footnotes.

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice.⁹ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. Oral argument presentations will be limited to issues raised in the briefs. If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a date and time to be determined.¹⁰ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

All submissions, with limited exceptions, must be filed electronically using ACCESS.¹¹ An electronically filed

document must be received successfully in its entirety by the Department's electronic records system, ACCESS, by 5 p.m. Eastern Time ("ET") on the due date. Documents excepted from the electronic submission requirements must be filed manually (*i.e.*, in paper form) with the APO/Dockets Unit in Room 18022 and stamped with the date and time of receipt by 5 p.m. ET on the due date.¹²

Unless otherwise extended, the Department intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results of this review, the Department will determine, and Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries covered by this review.¹³ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. In the event that the weighted-average dumping margin calculated for the GD Single Entity (the only individually examined respondent in this segment of the proceeding) in the final results of review is above *de minimis* (*i.e.*, greater than or equal to 0.5 percent), the Department intends to calculate importer- (or customer)-specific assessment rates, in accordance with 19 CFR 351.212(b)(1).¹⁴ Where the

respondent reported reliable entered values, the Department intends to calculate importer- (or customer)-specific *ad valorem* rates by aggregating the dumping margins calculated for all U.S. sales to the importer- (or customer) and dividing this amount by the total entered value of the sales to the importer- (or customer).¹⁵ Where the Department calculates an importer- (or customer)-specific weighted-average dumping margin by dividing the total amount of dumping for reviewed sales to the importer- (or customer) by the total sales quantity associated with those transactions, the Department will direct CBP to assess importer- (or customer)-specific assessment rates based on the resulting per-unit rates.¹⁶ Where an importer- (or customer)-specific *ad valorem* or per-unit rate is greater than *de minimis*, the Department will instruct CBP to collect the appropriate duties at the time of liquidation. Where either the respondent's weighted average dumping margin is zero or *de minimis*, or an importer (or customer)-specific *ad valorem* or per-unit rate is zero or *de minimis*, the Department will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹⁷

On October 24, 2011, the Department announced a refinement to its assessment practice in NME antidumping duty cases.¹⁸ Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales database submitted by an exporter individually examined during this review, the Department will instruct CBP to liquidate such entries at the PRC-wide rate. Additionally, pursuant

to this refinement, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number will be liquidated at the PRC-wide rate.

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The Department will instruct CBP to require a cash deposit equal to the weighted-average amount by which the normal value exceeds U.S. price. The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice, as provided by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is zero or *de minimis*, then the cash deposit rate will be zero for that exporter); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the PRC-wide entity and (4) for all non-PRC exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the

subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.

Dated: November 30, 2015.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) finds that revocation of the countervailing duty (CVD) order on certain magnesia carbon bricks (MCBs) from the People's Republic of China (PRC) would be likely to lead to continuation or recurrence of a countervailable subsidy at the levels indicated in the "Final Results of Sunset Review" section of this notice.

SUPPLEMENTARY INFORMATION:

Background

On September 21, 2010, the Department published the *CVD Order* on MCBs from the PRC.¹ On August 3, 2015, the Department published a notice of initiation of the first sunset review of the *CVD Order* on MCBs from the PRC pursuant to section 751(c)(2) of the Tariff Act of 1930, as amended (the Act).² On August 18, 2015, the Magnesia Carbon Bricks Fair Trade Committee (the Committee) filed a notice of intent to participate in the review.³ The Committee claimed interested party status pursuant to section 771(9)(C) of the Act.

The Department received an adequate substantive response from the domestic industry within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a response from the Government of the PRC (GOC) or any respondent interested party to the proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)(2) and (C)(2), the Department conducted an expedited review of this *CVD Order* on MCBs.

Scope of the Order

The merchandise subject to this *CVD Order* includes certain chemically-bonded (resin or pitch), magnesia carbon bricks. Certain magnesia carbon bricks that are the subject of this order are currently classifiable under subheadings 6902.10.1000, 6902.10.5000, 6815.91.0000, 6815.99.2000 and 6815.99.4000 of the Harmonized Tariff Schedule of the United States (HTSUS). While HTSUS subheadings are provided for convenience and customs purposes, the written description is dispositive.
