BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-76589; File No. SR-CBOE-2015-110]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Certificate of Incorporation of Its Parent Company

December 8, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that, on November 25, 2015, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the certificate of incorporation of its parent Company, CBOE Holdings, Inc. ("CBOE Holdings"). The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On May 21, 2015, CBOE Holdings' stockholders approved proposed amendments to the Certificate. On October 22 [sic], 2015, in accordance with Article Eleventh of the Certificate, the Exchange submitted a rule filing proposing to make the approved amendments to the Certificate.³ The Exchange notes however, that it inadvertently omitted in its rule filing two changes to the Certificate in the Exhibit 5 that had been approved by CBOE Holdings' shareholders. In order to conform the current Certificate to the Certificate approved by CBOE Holdings' shareholders in May 2015, CBOE Holdings proposes to correct the omitted changes. First, in Article Third, the Exchange had omitted to eliminate the word "other" from the following language "The nature of the business or purposes to be conducted or promoted by the Corporation is to engage in any other lawful act or activity for which corporations may be organized under the GCL." The Exchange believes that the reference to "other" in this section is unnecessary and that the change is non-substantive and clarifying in nature. The Exchange notes that the proposed change does not affect the rights of shareholders.

Next, CBOE Holdings proposes to correct an error related to the ownership concentration limitation. Particularly, CBOE Holdings had proposed to remove references to the 10% ownership concentration limitation applicable before CBOE Holdings' initial public offering ("IPO") in 2010, as discussed in SR-CBOE-2015-092.⁴ This change did not change the current ownership concentration limitation, which is 20%. In Article Sixth, subparagraph (b)(iii), the Exchange inadvertently omitted references to both 10% and 20%. Specifically, the language "10% or 20% (as applicable at such time)" was eliminated in its entirety. CBOE Holdings notes that only "10% or" and "(as applicable at such time)" should have been eliminated (*i.e.*, reference to 20% should have remained). Accordingly, CBOE Holdings proposes to add "20%", the current ownership concentration limitation, back into Article Sixth, Subparagraph (b)(iii).

³ See Securities Exchange Act Release No. 76282 (October 27, 2015), 80 FR 211 [sic] (November 2, 2015) (SR-CBOE-2015-092).

² 17 CFR 240.19b-4.

¹⁸ 17 CFR 200.30-3(a)(12).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, CBOE Holdings believes the proposed amendments to its Certificate are non-substantive and clarifying in nature, alleviating potential confusion. Additionally, CBOE Holdings believes that conforming the current Certificate to the Certificate approved by CBOE Holdings' shareholders on May 21, 2015, alleviates potential confusion. The alleviation of potential confusion removes impediments to and perfects the mechanism of a free and open market and a national market system, and, in general, protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

Because the proposed rule change relates to the governance of CBOE Holdings and not to the operations of the Exchange, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

In its filing, CBOE requested that the Commission waive both the 5 business day pre-filing requirement as well as the 30-day operative delay so that CBOE can expeditiously obtain effectiveness, as required by CBOE Holdings' governing documents, for two changes approved by CBOE Holdings' shareholders to the Certificate of Incorporation of CBOE Holdings that CBOE failed to correctly mark in the recent filing it submitted to seek effectiveness of the overall package of shareholder-approved changes.

The Commission believes that waiving the 5 business day pre-filing requirement and the 30-day operative delay is consistent with the protection of investors and the public interest, as it will allow two non-controversial proposed conforming edits to the CBOE Holdings Certificate of Incorporation to take effect without delay. The Commission notes CBOE previously filed to amend the Certificate and that filing has since become effective. CBOE represents that the change to Article Third is non-substantive and non-controversial. The change to Article Sixth corrects an obvious typographical error, as the language continued to reference the ownership concentration limit but failed to include the limit's numerical expression. That limit is contained elsewhere in Article Sixth (b), including in the opening paragraph. Accordingly, adding a reference to the long-standing "20%" back to paragraph (b)(iii) is a conforming edit to fill an obvious gap created by a rule text marking error in CBOE's recent filing. The two proposed edits do not raise any new or novel issues, and allowing these edits to be made without further delay will allow CBOE to promptly update the Certificate of Incorporation of CBOE Holdings. For this reason, the Commission designates the proposed

rule change to be operative upon filing.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SUPPLEMENTARY INFORMATION:

Background: The Stephen Beck, Jr., Achieving a Better Life Experience Act of 2014 (ABLE Act) was enacted on December 19, 2014, as part of the Tax Increase Prevention Act of 2014 (Public Law 113-295). The ABLE Act permits a State, or an agency or instrumentality of a State, to establish and maintain a new type of savings program, called an ABLE program. Under an ABLE program, contributions can be made to a tax-advantaged ABLE account that is established for the purpose of providing secure funding for disability-related expenses on behalf of the account's designated beneficiary that will supplement but not supplant benefits provided through other sources. The designated beneficiary of an ABLE account, who is also the owner of the account, must have been disabled or blind prior to his or her attaining age 26. The ABLE Act further provides that the Social Security Administration will exclude the first \$100,000 in an ABLE account—for any period when the designated beneficiary maintains, makes contributions to, or receives distributions from his or her ABLE

account—for purposes of the Supplemental Security Income (SSI) program. We shall also exclude distributions for qualified non-housing-related disability expenses for purposes of the SSI program.

Section 529A(d)(4) of the Internal Revenue Code provides that “States shall submit electronically on a monthly basis to the Commissioner of Social Security, in the manner specified by the Commissioner, statements on relevant distributions and account balances from all ABLE accounts.” Before accepting these electronic reports, we will enter into a data exchange agreement with each State. This agreement will specify the content, format, and the security and privacy requirements for these reports. However, we recognize that general guidance in advance of entering into these agreements may be helpful to the States as they design their ABLE programs, and we do not want uncertainty concerning these reports to delay the States’ implementing their programs. Therefore, we are issuing this advance notice to inform State ABLE programs of the general types of information we anticipate requesting they include in their monthly reports of ABLE account balances and distributions.

NOTICE: We currently anticipate that our data exchange agreements will require that the States provide in their monthly electronic reports information, concerning each ABLE account:

- Name of the designated beneficiary;
- Social Security number of the designated beneficiary;
- date of birth of the designated beneficiary;
- name of the person who has signature authority (if different from the designated beneficiary);
- unique account number assigned by the State to the ABLE account;
- account opened date;
- account closed date;
- balance as of the first moment of the month (that is, the balance as of 12:00 a.m. local time on the first of the month);
- date of each distribution in the reporting period; and
- amount of each distribution in the reporting period.

Dated: December 4, 2015.

Carolyn W. Colvin,

Acting Commissioner of Social Security.
