AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is amending the final results of the 2012-2013 antidumping administrative review of glycine from the People's Republic of China (PRC) with respect to Evonik Rexim (Nanning) Pharmaceutical Co., Ltd. and Evonik Rexim S.A.S. (collectively, Evonik) pursuant to an agreement that settles the related litigation.

DATES: Effective date: December 16, 2015.

FOR FURTHER INFORMATION CONTACT: Eddy Artman or Brian Davis, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

SUPPLEMENTARY INFORMATION:

Background

On March 29, 1995, the Department published the antidumping duty order on glycine from the PRC.¹ On October 31, 2014, the Department published the final results of its administrative review of the *Order*.² The period of review (POR) is March 1, 2012, through February 28, 2013. In the *Final Results*, the Department assigned Evonik, an exporter of the subject merchandise from the PRC to the United States, the rate assigned to the PRC-wide entity of 453.79 percent for the POR.

Following the publication of the *Final Results*, Evonik filed a lawsuit with the CIT challenging the Department's final results of administrative review. The United States and Evonik have now entered into an agreement to settle this dispute. The Court issued its Order of Judgment by Stipulation on November 16, 2015.³

Assessment of Duties

Pursuant to the Court's Order of Judgment by Stipulation, the Department shall instruct Customs and Border Protection (CBP) to assess antidumping duties on all shipments of glycine from the PRC, which were entered, or withdrawn from warehouse, for consumption during the period March 1, 2012, through February 28, 2013, and that were exported by Evonik at a rate of 155.89 percent. The Department intends to issue assessment instructions to CBP within 15 days after the date of publication of these amended final results of the review in the **Federal Register**.

Cash Deposit Requirements

As stipulated in the Court's Order of Judgment by Stipulation, the order has no effect on entries not made during the POR and does not establish a revised cash deposit rate for Evonik.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the

Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred, and the subsequent assessment of double antidumping duties.

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The United States Department of Commerce, International Trade Administration, is organizing an education mission to South Africa and Ghana with an optional stop in the Côte d'Ivoire. Department of Commerce is partnering with the Department of State's EducationUSA Advising Centers in each location. This trade mission will be led by a senior Department of Commerce official and the emphasis will be on higher education programs, community college programs and summer, undergraduate and graduate programs, or consortia/associations of U.S. educational institutions offering said programs.

This mission will seek to connect U.S. higher education institutions to potential students and university/institution partners in these three African countries. The mission will include student fairs organized by Education USA, embassy briefings, site visits, and networking events in our target cities of Johannesburg, Accra, and Abidjan. Participation in the Education Mission to these nations, rather than traveling independently to each market, will enhance the ability of participants to secure appropriate meetings with productive contacts in the target markets.
