

Background

The Council was formed in January 1993 to advise the Secretary of the Interior, through the Director of the Service, on nationally significant recreational fishing, boating, and aquatic resource conservation issues. The Council represents the interests of the public and private sectors of the sport fishing, boating, and conservation communities and is organized to enhance partnerships among industry, constituency groups, and government. The 18-member Council, appointed by the Secretary of the Interior, includes the Service Director and the president of

the Association of Fish and Wildlife Agencies, who both serve in ex officio capacities. Other Council members are directors from State agencies responsible for managing recreational fish and wildlife resources and individuals who represent the interests of saltwater and freshwater recreational fishing, recreational boating, the recreational fishing and boating industries, recreational fisheries resource conservation, Native American tribes, aquatic resource outreach and education, and tourism. Background information on the Council is available at <http://www.fws.gov/sfbpc>.

Meeting Agenda

The Council will hold a teleconference to:

- Consider and approve the Council’s Boating Infrastructure Grant Program Review Committee’s funding recommendations for fiscal year 2015 proposal;
- Discuss a proposed pilot project associated with permitting recreational projects;
- Schedule an upcoming spring meeting; and
- Consider other Council business.

The final agenda will be posted on the Internet at <http://www.fws.gov/sfbpc>.

PUBLIC INPUT

If you wish to:	You must contact the Council Coordinator (see FOR FURTHER INFORMATION CONTACT) no later than:
Listen to the teleconference	Monday, January 4, 2016.
Submit written information or questions before the teleconference for the council to consider during the teleconference.	Monday, January 4, 2016.
Give an oral presentation during the teleconference	Monday, January 4, 2016.

Submitting Written Information or Questions

Interested members of the public may submit relevant information or questions for the Council to consider during the teleconference. Written statements must be received by the date listed in “Public Input” under **SUPPLEMENTARY INFORMATION**, so that the information may be made available to the Council for their consideration prior to this teleconference. Written statements must be supplied to the Council Coordinator in one of the following formats: One hard copy with original signature, and one electronic copy via email (acceptable file formats are Adobe Acrobat PDF, MS Word, MS PowerPoint, or rich text file).

Giving an Oral Presentation

Individuals or groups requesting to make an oral presentation during the teleconference will be limited to 2 minutes per speaker, with no more than a total of 15 minutes for all speakers. Interested parties should contact the Council Coordinator, in writing (preferably via email; see **FOR FURTHER INFORMATION CONTACT**), to be placed on the public speaker list for this teleconference. To ensure an opportunity to speak during the public comment period of the teleconference, members of the public must register with the Council Coordinator. Registered speakers who wish to expand upon their oral statements, or those who had wished to speak but could not be accommodated on the agenda, may

submit written statements to the Council Coordinator up to 30 days subsequent to the teleconference.

Meeting Minutes

Summary minutes of the teleconference will be maintained by the Council Coordinator (see **FOR FURTHER INFORMATION CONTACT**) and will be available for public inspection within 90 days of the meeting and will be posted on the Council’s Web site at <http://www.fws.gov/sfbpc>.

Stephen Guertin,
Acting Director.

SUPPLEMENTARY INFORMATION:

I. Abstract

Nominations for Doug D. Nebert NSDI Champion of the Year Award are accepted from the public and private sector individuals, teams, organizations, and professional societies that are from the United States of America. Nomination packages include three sections: (A) Cover Sheet, (B) Summary Statement, and (C) Supplemental Materials. The cover sheet includes professional contact information. The Summary Statement is limited to two pages and describes the nominee's achievements in the development of an outstanding, innovative, and operational tool, application, or service capability that directly supports the spatial data infrastructures. Nominations may include up to 10 pages of supplemental information such as resume, publications list, and/or letters of endorsement. The award consists of a citation and plaque, which are presented to the recipient at an appropriate public forum by the FGDC Chair. The name of the recipient is also inscribed on a permanent plaque, which are displayed by the FGDC.

The Doug D. Nebert NSDI Champion of the Year Award honors a respected colleague, technical visionary, and recognized U.S. national leader in the establishment of spatial data infrastructures that significantly enhance the understanding of our physical and cultural world. The award is sponsored by the Federal Geographic Data Committee (FGDC) and its purpose is to recognize an individual or a team representing Federal, State, Tribal, regional, and (or) local government, academia, or non-profit and professional organization that has developed an outstanding, innovative, and operational tool, application, or service capability used by multiple organizations that furthers the vision of the National Spatial Data Infrastructure (NSDI).

II. Data

OMB Control Number: 1028—NEW.
Title: Doug D. Nebert NSDI Champion of the Year Award.

Type of Request: Approval of new information collection.

Respondent Obligation: Required to obtain benefit.

Frequency of Collection: This is an annual offer.

Description of Respondents: State, local, and tribal governments; academia, and non-profit organizations.

Estimated Total Number of Annual Responses: 10.

Estimated Time per Response: We estimate that it will take 10 hour(s) per nomination to complete the award nomination process.

Estimated Annual Burden Hours: 100 hours.

Estimated Reporting and Recordkeeping "Non-Hour Cost" Burden: There are no "non-hour cost" burdens associated with this collection of information.

Public Disclosure Statement: The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

Comments: On September 9, 2015, we published a **Federal Register** notice (80 FR 54309) announcing that we would submit this ICR to OMB for approval and soliciting comments. The comment period closed on November 9, 2015. We did receive one comment from the public; however, the comment was not directly related to this project but rather a rejection of all government data collection.

III. Request for Comments

We again invite comments concerning this ICR as to: (a) Whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) how to enhance the quality, usefulness, and clarity of the information to be collected; and (d) how to minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this notice are a matter of public record. Before including your personal mailing address, phone number, email address, or other personally identifiable information in your comment, you should be aware that your entire comment, including your personally identifiable information, may be made publicly available at any time. While you can ask us and the OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.

Ivan DeLoatch,

Executive Director, Federal Geographic Data Committee, Core Science Systems.
