

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this Information collection is contained in Section 4(i) of the Communications Act of 1934, as amended.

Total Annual Burden: 183,856.

Total Annual Cost: None.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality:

There is no need for confidentiality with this collection of information.

Needs and Uses: The Commission rules that are covered under this collection require television stations, broadcast television stations and program distributors to notify cable television system operators of non-duplication protection and exclusivity rights being sought within prescribed limitations and terms of contractual agreements. These various notification and disclosure requirements are to protect broadcasters who purchase the exclusive rights to transmit syndicated programming in their recognized markets.

OMB Control Number: 3060-0692.

Type of Review: Extension of a currently approved collection.

Title: Sections 76.802 and 76.804, Home Wiring Provisions; Section 76.613, Interference from a Multichannel Video Programming Distributor (MVPD).

Form Number: N/A.

Respondents: Individuals or households; Business or other for-profit entities.

Number of Respondents: 22,000.

Estimated Time per Response: 0.083–2 hours.

Frequency of Response: On occasion reporting requirement; Recordkeeping requirement; Annual reporting requirement; Third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in Sections 1, 4, 224, 251, 303, 601, 623, 624 and 632 of the Communications Act of 1934, as amended.

Total Annual Burden: 36,114 hours.

Total Annual Cost: No cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality:

There is no need for confidentiality with this collection of information.

Needs and Uses: In the Cable Television Consumer Protection and Competition Act of 1992, Congress directed the FCC to adopt rules governing the disposition of home wiring owned by a cable operator when a subscriber terminates service. The rules at 76.800 *et seq.*, implement that

directive. The intention of the rules is to clarify the status and provide for the disposition of existing cable operator-owned wiring in single family homes and multiple dwelling units upon the termination of a contract for cable service by the home owner or MDU owner. Section 76.613(d) requires that when Multichannel Video Programming Distributors (MVPDs) cause harmful signal interference MVPDs may be required by the District Director and/or Resident Agent to prepare and submit a report regarding the cause(s) of the interference, corrective measures planned or taken, and the efficacy of the remedial measures.

Federal Communications Commission.

Gloria J. Miles,

Federal Register Liaison Officer, Office of the Secretary.

BILLING CODE 6712-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Advisory Board on Radiation and Worker Health (ABRWH or the Advisory Board), National Institute for Occupational Safety and Health (NIOSH)

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), and pursuant to the requirements of 42 CFR 83.15(a), the Centers for Disease Control and Prevention (CDC), announces the following meeting of the aforementioned committee:

Time and Date: 11:00 a.m.–2:00 p.m., EST, January 20, 2016.

Place: Audio Conference Call via FTS Conferencing.

Status: Open to the public. The public is welcome to submit written comments in advance of the meeting, to the contact person below. Written comments received in advance of the meeting will be included in the official record of the meeting. The public is also welcome to listen to the meeting by joining the teleconference at the USA toll-free, dial-in number, 1-866-659-0537 and the passcode is 9933701.

Background: The Advisory Board was established under the Energy Employees Occupational Illness Compensation Program Act of 2000 to advise the President on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Advisory Board include

providing advice on the development of probability of causation guidelines, which have been promulgated by the Department of Health and Human Services (HHS) as a final rule; advice on methods of dose reconstruction, which have also been promulgated by HHS as a final rule; advice on the scientific validity and quality of dose estimation and reconstruction efforts being performed for purposes of the compensation program; and advice on petitions to add classes of workers to the Special Exposure Cohort (SEC).

In December 2000, the President delegated responsibility for funding, staffing, and operating the Advisory Board to HHS, which subsequently delegated this authority to the CDC. NIOSH implements this responsibility for CDC. The charter was issued on August 3, 2001, renewed at appropriate intervals, and will expire on August 3, 2017.

Purpose: This Advisory Board is charged with (a) providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; (b) providing advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this program; and (c) upon request by the Secretary, HHS, advising the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class.

Matters for Discussion: The agenda for the conference call includes: Idaho National Laboratory SEC Petition; Work Group and Subcommittee Reports; SEC Petitions Update for the March 2016 Advisory Board Meeting; Plans for the March 2016 Advisory Board Meeting; and Advisory Board Correspondence.

The agenda is subject to change as priorities dictate.

Contact Person For More Information: Theodore M. Katz, M.P.A., Designated Federal Officer, NIOSH, CDC, 1600 Clifton Rd. NE., Mailstop: E-20, Atlanta, GA 30333, Telephone (513) 533-6800, Toll Free 1-800-CDC-INFO, Email ocas@cdc.gov.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Center for Disease Control and

Prevention and the Agency for Toxic Substances and Disease Registry.

Catherine Ramadei,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The notice for the proposed information collection is published to obtain comments from the public and affected agencies.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address any of the following: (a) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) Enhance the quality, utility, and clarity of the information to be collected; (d) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses; and (e) Assess information collection costs.

To request additional information on the proposed project or to obtain a copy of the information collection plan and instruments, call (404) 639–7570 or send an email to omb@cdc.gov. Written comments and/or suggestions regarding the items contained in this notice should be directed to the Attention: CDC Desk Officer, Office of Management and Budget, Washington, DC 20503 or by fax to (202) 395–5806. Written

comments should be received within 30 days of this notice.

Proposed Project

CDC Work@Health® Program: Phase 2 Training and Technical Assistance Evaluation (OMB No. 0920–1006, exp. date 1/31/2016)—Revision—National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

The Centers for Disease Control and Prevention (CDC) is continuing to make available the Work@Health® Program, a comprehensive worksite health promotion training program, to support employers' efforts to create healthy work environments and provide employees with opportunities to make healthy lifestyle choices. The Work@Health® Program will train and support small, mid-size, and large employers with three primary goals: (1) Increase understanding of the training needs of employers and the best way to deliver skill-based training to them; (2) Increase employers' level of knowledge and awareness of worksite health program concepts and principles; and (3) Increase the number of science-based worksite health programs, policies, and practices in place in participating employers' worksites resulting in opportunities for employees to participate in them.

CDC is requesting OMB approval to continue Phase 2 information collection with new cohorts of respondents in 2016–2019. Phase 2 procedures were informed by a needs assessment and pilot test that were conducted in fall 2013 (“CDC Work@Health® Program: Phase 1,” OMB No. 0920–0989, exp. 9/30/2014) as well as first year results. CDC will offer training in four models (formats): (1) A “Hands-on” instructor-led workshop model (T1), (2) a self-paced “Online” model (T2), (3) a combination or “Blended” model (T3), and (4) a “Train-the-Trainer” model (T4) designed to prepare qualified individuals to train employers through the Hands-on, Online, or Blended models.

To evaluate the training, information will be collected from approximately 480 employers and approximately 120 individuals who are interested in becoming trained/certified instructors for the Work@Health® Program. In addition, information will be collected from approximately 600 participant who receive training delivered by the trained/certified instructors. Respondents will include employers/employees, trainees who participate in
