The area described aggregates 628.99 acres, more or less, in Riverside County, California.

The closure is necessary because of public health and safety risks caused by the potential for encounter with unexploded ordinance and other hazardous materials located on the lands. The approximately 628.99 acres of public lands were until recently part of the Chocolate Mountain Aerial Gunnery Range and were used as part of a live bombing and training facility. The Department of the Navy is in the process of developing a response action plan to clean the contaminated parcels. Once the parcels are successfully cleaned, the BLM will reopen the lands to the public. All motor vehicles must remain on routes designated as open to vehicular use. The lands are closed to all forms of public entry, including dispersed camping, or other recreational activities on the approximately 628.99 acres.

The following persons are exempt from this order: Federal, State, and local officers and employees in the performance of their official duties; members of organized rescue or fire-fighting forces in the performance of their official duties; and persons with written authorization from the Bureau of Land Management.

Enforcement

Any person who violates this closure may be tried before a United States Magistrate and fined in accordance with 18 U.S.C. 3571, imprisoned for no more than 12 months under 43 U.S.C. 1733(a) and 43 CFR 8360.0-7, or both. In accordance with 43 CFR 8365.1-7, State or local officials may also impose penalties for violations of California law.
