The Commission has also determined to remand the investigation in part to the ALJ.

The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

**SUPPLEMENTARY INFORMATION:** The Commission instituted Investigation No. 337-TA-928, *Certain Windshield Wipers and Components Thereof*, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), on September 2, 2014, based on a complaint filed by Valeo North America, Inc. of Troy, MI, and Delmex de Juarez S. de R.L. de C.V. of Mexico (collectively, "Valeo"). The complaint alleges a violation of section 337 by reason of infringement of certain claims of U.S. Patent Nos. 7,891,044 ("the '044 patent"); 7,937,798 ("the '798 patent"); and 8,220,106 by Federal-Mogul Corp. of Southfield, Michigan, Federal-Mogul Vehicle Component Solutions, Inc. of Southfield, Michigan, and Federal-Mogul of Aubange, Belgium (collectively, "Federal-Mogul"). 79 FR 52041-42 (Sep. 2, 2014).

On November 21, 2014, the Commission instituted Investigation No. 337-TA-937, *Certain Windshield Wipers and Components Thereof*, based on a complaint filed by Valeo. The complaint alleges a violation of section 337 by reason of infringement of certain claims of the '044 patent and the '798 patent by Trico Products Corporation of

Rochester Hills, Michigan, Trico Products of Brownsville, Texas, and Trico Componentes SA de CV of Tamaulipas, Mexico (collectively, "Trico"). 79 FR 69525-26 (Nov. 21, 2014).

On December 9, 2014, the ALJ consolidated investigations Nos. 337-TA-928 and 337-TA-937. See ALJ Order No. 8 in Inv. No. 337-TA-928. The Office of Unfair Import Investigations is not a party in these consolidated investigations.

On May 19, 2015, Valeo and Federal-Mogul reached a settlement agreement and filed a joint motion to terminate the Federal-Mogul Respondents from the consolidated investigations, which was granted on June 5, 2015. See ALJ Order No. 24, Inv. No. 337-TA-928 (June 5, 2015) (*not reviewed* June 29, 2015). The Trico respondents remained in the consolidated investigations.

The evidentiary hearing on the question of violation of section 337 was held in July of 2015. The final ID on violation was issued on October 22, 2015. The ALJ issued his recommended determination on remedy, the public interest and bonding on the same day. The ALJ found that a violation of section 337 has occurred in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain windshield wipers and components thereof by reason of infringement of certain claims of the '798 patent. The ALJ recommended that the Commission issue a limited exclusion order directed to Trico's accused products that infringe the '798 patent. The ALJ did not recommend that the Commission issue a cease and desist order in this investigation. Both parties to this investigation filed timely petitions for review of various portions of the final ID, as well as timely responses to the petitions.

Having examined the record in this investigation, including the ALJ's final ID, the petitions for review, and the responses thereto, the Commission has determined to review the ID in part and, on review, to take certain actions. In particular, the Commission has determined as follows:

(1) To review the ALJ's determination in Order No. 36 (Jul. 16, 2015) precluding arguments and evidence relating to Trico's 618 and 596 connectors on the basis that they are obsolete and are irrelevant to the present investigation, see ALJ Order No. 36 at 1, and on review, to reverse this determination and to remand the investigation to the ALJ with respect to this issue, to make findings regarding whether Trico products with 618 and
