Information Collection Request

1. *Title:* Commercial Fishing Industry Vessel Safety Regulations.

OMB Control Number: 1625–0061.

Summary: This information collection is intended to improve safety on board vessels in the commercial fishing industry. The requirements apply to those vessels and to seamen on them.

Need: Under the authority of 46 U.S.C. 6104, the U.S. Coast Guard has promulgated regulations in 46 CFR part 28 to reduce the unacceptably high level of fatalities and accidents in the commercial fishing industry. The rules allowing the collection also provide means of verifying compliance and enhancing safe operation of fishing vessels.

Forms: None.

Respondents: Owners, agents, individuals-in-charge of commercial fishing vessels, and insurance underwriters.

Frequency: The frequency of reporting is “On occasion”.

Hour Burden Estimate: The estimated burden has decreased from 6,787 hours to 6,617 hours a year due to a decrease in the estimated annual number of respondents.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: December 21, 2015.

Thomas P. Michelli,

Deputy Chief Information Officer, U.S. Coast Guard.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

This Notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection’s purpose, the Collection’s likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of

information technology. In response to your comments, we may revise this ICR or decide not to seek approval of revisions of the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG–2015–0915], and must be received by February 26, 2016.

Submitting Comments

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions. Documents mentioned in this notice, and all public comments, are in our online docket at <http://www.regulations.gov> and can be viewed by following that Web site’s instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, you may review a Privacy Act notice regarding the Federal Docket Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

OIRA posts its decisions on ICRs online at <http://www.reginfo.gov/public/do/PRAMain> after the comment period for each ICR. An OMB Notice of Action on each ICR will become available via a hyperlink in the OMB Control Number: 1625-0108.

Previous Request for Comments

This request provides a 30-day comment period required by OIRA. The Coast Guard published the 60-day notice (80 FR 62080, October 15, 2015) required by 44 U.S.C. 3506(c)(2). That Notice elicited no comments. Accordingly, no changes have been made to the Collections.

Information Collection Request

1. **Title:** Standard Numbering System for Undocumented Vessels.

OMB Control Number: 1625-0108.

Summary: The Standard Numbering System collects information on undocumented vessels and vessel owners operating on waters subject to the jurisdiction of the United States. Federal, State, and local law enforcement agencies use information from the system for enforcement of boating laws or theft and fraud investigations. Since the September 11, 2001 terrorist attacks on the United States, the need has increased for identification of undocumented vessels to meet port security and other missions to safeguard the homeland.

Need: Subsection 12301(a) of title 46, United States Code, requires undocumented vessels equipped with propulsion machinery of any kind to be numbered in the State where the vessel is principally operated. In 46 U.S.C. 12302(a), Congress authorized the Secretary to prescribe, by regulation, a Standard Numbering System (SNS). The Secretary shall approve a State
