Federal Aviation Administration

Notice of Intent To Rule on a Request for Change in Designation of On-Airport Property Purchased With Airport Improvement Program (AIP) Funding From Aeronautical to Non-Aeronautical at the Lancaster Airport, Lititz, PA

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of a request for a change in designation of on-airport property purchased with AIP funding from aeronautical to non-aeronautical use.

SUMMARY: The FAA is requesting public comment on the Lancaster Airport Authority's proposal to change 6.191 acres of airport property at Lancaster Airport, Lititz, Pennsylvania from aeronautical to non-aeronautical use. This acreage was purchased with federal financial assistance through the Airport Improvement Program under Grant Agreements 3-42-0049-13-95, 3-42-0049-16-98, and 3-42-0049-19-01 under 49 U.S.C. 47107(c). In accordance with 49 U.S.C. 47107(h), this notice is required to be published in the **Federal**

Register 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

DATES: Comments must be received on or before January 28, 2016.

ADDRESSES: Comments on this application may be mailed or delivered to the following address: David Eberly, Manager, Lancaster Airport, 500 Airport Road, Suite G, Lititz, PA 17543-9340, 717-569-1221 and at the FAA Harrisburg Airports District Office: Lori K. Pagnanelli, Manager, Harrisburg Airports District Office, 3905 Hartzdale Dr., Suite 508, Camp Hill, PA 17011, (717) 730-2830.

FOR FURTHER INFORMATION CONTACT:

Charles Sacavage, Project Manager, Harrisburg Airports District Office, location listed above.

The request for change in designation of on-airport property may be reviewed in person at this same location.

SUPPLEMENTARY INFORMATION:

The following is a brief overview of the request:

The Lancaster Airport Authority requests to change the designation of 6.191 acres of on-airport property from aeronautical to non-aeronautical use. No land shall be sold as part of this land request. The property is situated on the northwest corner of the intersection of Stauffer Road and Millport Road in Warwick Township. The 6.191 acres are part of a 29.855 acre parcel that was purchased on June 27, 1997 to protect the Runway 26 Runway Protection Zone (RPZ) from incompatible development. The subject area itself, however, is located outside the designated RPZ. The 6.191 acre area requested to be designated as non-aeronautical is unable to be utilized for aviation purposes because it is located across a public road (Millport Road) from the air operations area and is inaccessible by aircraft. The subject acreage is currently being used as a yard waste reclamation collection center. The purpose of this request is to permanently change the designation of the property given there is no potential for future aviation use, as demonstrated by the Airport Layout Plan. Subsequent to the implementation of the proposed redesignation, rents received by the airport from this property must be used in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999.

Any person may inspect the request by appointment at the FAA office address listed above. Interested persons are invited to comment. All comments will be considered by the FAA to the extent practicable.

Issued in Camp Hill, Pennsylvania, December 17, 2015.

Lori K. Pagnanelli,

Manager, Harrisburg Airports District Office.

Federal Highway Administration

Notice of Final Federal Agency Actions on State Highway (SH) 365 From Farm-to-Market Road (FM) 1016/Conway Avenue to U.S. Highway (US) 281/Military Highway in Hidalgo County, Texas

AGENCY: Federal Highway Administration (FHWA), U.S. DOT.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by TxDOT and Federal Agencies.

SUMMARY: This notice announces actions taken by Texas Department of Transportation (TxDOT) and Federal agencies that are final within the meaning of 23 U.S.C. 139(l)(1). The actions relate to a proposed highway project, SH 365 from FM 1016/Conway Avenue to US 281/Military Highway in Hidalgo County in the State of Texas. Those actions grant licenses, permits, and approvals for the project.

DATES: By this notice, TxDOT is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before May 27, 2016. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT: Mr. Carlos Swonke, P.G., Environmental Affairs Division, Texas Department of Transportation, 125 East 11th Street, Austin, Texas 78701; telephone: (512) 416-2734; email: carlos.swonke@txdot.gov. TxDOT's normal business hours are 8:00 a.m.–5:00 p.m. (central time), Monday through Friday.

SUPPLEMENTARY INFORMATION: Notice is hereby given that TxDOT and Federal agencies have taken final agency actions by issuing licenses, permits, and approvals for the following highway project in the State of Texas: The SH 365 project would initially be developed as a four-lane divided controlled access toll facility divided by a grassy median with Rights-of-Way (ROW) reserved for future widening for the ultimate facility when necessary. The ultimate facility

would consist of six travel lanes divided by a flushed median with a concrete barrier. The 16.53-mile-long proposed tolled facility is primarily on new location within a typical 300-foot ROW, which varies from 160 feet to 400 feet. Construction of the proposed project would be in three phases. Phase I construction would include a non-tolled facility from 0.45 mile east of SP 600 to FM 2557 (Stewart Road) along US 281 (Military Highway), including a grade-separated interchange at the SH 365/US 281 (Military Highway) intersection, and a 0.70-mile one way, one-lane non-tolled border safety inspection facility connector from US 281 (Military Road) to SP 29 (Veterans Boulevard). Phase II construction would include a 13.4-mile tolled facility from FM 396 (Anzalduas Highway) to US 281 (Military Highway). Phase III construction would include a 3.13-mile tolled facility from FM 1016 (Conway Avenue) to FM 396 (Anzalduas Highway), with transition westward past FM 1016 (Conway Avenue). The purpose of the project is to improve mobility and interconnectivity in the area, enhance safety, and reduce community disruption because of increasing freight traffic.

The actions by TxDOT and the Federal agencies, and the laws under which such actions were taken, are described in the final Environmental Assessment (EA) issued in June, 2015 for the project, for which a Finding of No Significant Impact (FONSI) was issued on July 2, 2015, and in other documents in the TxDOT administrative record. The EA, FONSI, and other documents in the administrative record file are available by contacting TxDOT at the address provided above. The FONSI may also be viewed and downloaded from the project sponsor Web site at <http://www.hcrma.net/sh365.html>.
