**DATES:** The effective date of the direct final rule published on October 14, 2015, at 80 FR 61729, which was delayed from December 14, 2015, until January 13, 2016 by a document published on November 19, 2015 at 80

FR 72342, November 19, 2015, is further delayed from January 13, 2016, until February 12, 2016. The rule will be effective unless we receive a significant adverse comment. component part testing can be used and clarifying which textile products have been determined not to exceed the allowable lead content limits. (DFR, 80 FR 61729 and NPR, 80 FR 61773). In response to a request for additional time to comment, the Commission published a document extending the comment period until December 14, 2015, and providing that unless the Commission receives a significant adverse comment by December 14, 2015, the rule would become effective on January 13, 2016. 80 FR 72342.
