June 16, 2015 (Transmittal No. DDTC 15–030)

Honorable John A. Boehner, *Speaker of the House of Representatives*

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting certification of a proposed license for the export of defense articles, including technical data, and defense services for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to support the manufacture, assembly, training, testing, maintenance, and repair of the NL914A and NL914B night vision monoculars, the NL963A night vision goggle, and the NL949A aviator's night vision goggle in the Philippines.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Julia Frifield

Assistant Secretary, Legislative Affairs
