[SEC File No. 270-247; OMB Control No. 3235-0259]

Submission for OMB Review; Comment Request

Reinstatement:

Rule 19h-1

Notice by a Self-Regulatory Organization of Proposed Admission to or Continuance in Membership or Participation or Association with a Member of Any Person Subject to a Statutory Disqualification, and Applications to the Commission for Relief Therefrom.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission

(“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of a reinstatement, with change, of a previously approved collection for which approval has expired—Rule 19h-1, Notice by a Self-Regulatory Organization of Proposed Admission to or Continuance in Membership or Participation or Association with a Member of Any Person Subject to a Statutory Disqualification, and Applications to the Commission for Relief Therefrom (17 CFR 240.19h-1).

Rule 19h-1 (“Rule”) under the Securities Exchange Act of 1934 (the “Exchange Act”) prescribes the form and content of notices and applications by self-regulatory organizations (“SROs”) regarding proposed admissions to, or continuances in, membership, participation or association with a member of any person subject to a statutory disqualification.

The Commission uses the information provided in the submissions filed pursuant to Rule 19h-1 to review decisions of SROs to permit the entry into or continuance in the securities business of persons who have committed serious misconduct. The filings submitted pursuant to the Rule also permit inclusion of an application to the Commission for consent to associate with a member of an SRO notwithstanding a Commission order barring such association.

The Commission reviews filings made pursuant to the Rule to ascertain whether it is in the public interest to permit the employment in the securities business of persons subject to a statutory disqualification. The filings contain information that is essential to the staff's review and ultimate determination on whether an association or employment is in the public interest and consistent with investor protection. Without these filings, persons subject to a statutory disqualification could reenter or continue employment in the securities business without the Commission's critical review of their character, ability to act as a fiduciary, and their employer's plan of supervision. The failure to collect and review this information could result in significant harm to the investing public.

The Commission estimates the annual burden of responding to this collection of information is as follows.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-76806; File No. SR-BSECC-2015-002]

Self-Regulatory Organizations; Boston Stock Exchange Clearing Corporation; Notice of Filing of Proposed Rule Change, as Modified by Amendment No. 1 Thereto, To Amend the By-Laws of Nasdaq, Inc.

December 31, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December

21, 2015, Boston Stock Exchange Clearing Corporation (“BSECC”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by BSECC. On December 29, 2015, BSECC filed Amendment No. 1 to the proposal.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as modified by Amendment No. 1, from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

BSECC is filing this proposed rule change with respect to amendments of the By-Laws (the “By-Laws”) of its parent corporation, Nasdaq, Inc. (“Nasdaq” or the “Company”), to revise the requirements regarding Director classifications. This Amendment No. 1 to SR-BSECC-2015-002 amends and replaces the original filing in its entirety. The proposed amendments will be implemented on a date designated by the Company following approval by the Commission. The text of the proposed rule change is available on BSECC’s Web site at <http://nasdaqomxbx.cchwallstreet.com>, at the principal office of BSECC, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BSECC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. BSECC has prepared

³ Amendment No. 1 amends and replaces the original filing in its entirety. In Amendment No. 1, BSECC, among other things, clarified the operation of the current and proposed provisions of the By-Laws of Nasdaq, Inc. and how the proposed rule change would operate in conjunction with the Listing Rules of The NASDAQ Stock Market. See *infra*, note 5.

summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Company is proposing amendments to certain provisions of its By-Laws that relate to Director⁴ classifications.⁵ Specifically, the Company proposes to revise Section 4.3 of the By-Laws to state that it may, rather than shall, include at least one, but no more than two, Issuer Directors on its Board. In addition, the Company proposes to revise Section 4.7 of the By-Laws to clarify the procedures when a Director’s classification changes between annual meetings of stockholders.

i. Section 4.3

Currently, the Company’s By-Laws require that all of the Company’s Directors be classified as: (i) Industry

⁴ “Director” means a member of the Company’s Board of Directors. See Article I(j) of the By-Laws.

⁵ The provisions of the Company’s By-Laws that relate to Director classifications are completely distinct from the Listing Rules of The NASDAQ Stock Market. Therefore, the proposed amendments do not affect in any way the Company’s obligation, as an issuer listed on The NASDAQ Stock Market, to comply with the Listing Rules, and the Company will continue to comply with the Listing Rules, including provisions relating to corporate governance, following the effectiveness of the proposed By-Law amendments.
