**AGENCY:** Office of Government-wide Policy (OGP), General Services Administration (GSA).

**SUPPLEMENTARY INFORMATION:****A. Background**

The FTR currently lists incidental expenses as fees and tips given to porters, baggage carriers, hotel staff, and staff on ships. Including ATM fees in incidental expenses, rather than reimbursing as a miscellaneous expense, will increase the Government's ability to project travel costs, improve cost control, and simplify rules of official travel. Additionally, this proposed rule removes the ambiguity on whether reimbursement of expenses for laundry, cleaning, and pressing of clothing for employees who go on official travel are subject to agency discretion.

**B. Executive Orders 12866 and 13563**

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives, and if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This proposed rule is not a significant regulatory action, and therefore, was not subject to review under Section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993.

**C. Regulatory Flexibility Act**

This proposed rule would not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* This proposed rule is also exempt from the Administrative Procedure Act pursuant

to 5 U.S.C. 553(a)(2) because it applies to agency management or personnel.

**D. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the proposed changes to the FTR do not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management and Budget (OMB) under 44 U.S.C. 3501, *et seq.*

**E. Small Business Regulatory Enforcement Fairness Act**

This proposed rule is also exempt from Congressional review prescribed under 5 U.S.C. 801. This proposed rule is not a major rule under 5 U.S.C. 804.
