Title: Application for Employment with the Federal Aviation Administration.

Form Numbers: There are no FAA forms associated with this collection. Information is collected via the Office of Personnel Management (OPM) online USAJOBS system and the FAA's Automated Vacancy Information Access Tool for Online Referral (AVIATOR) staffing tool.

Type of Review: Revision of an information collection.

Background: Under the provisions of Public Law 104-50, the Federal Aviation Administration (FAA) was given the authority and the responsibility for developing and implementing its own personnel system. The agency requests certain information needed to determine basic eligibility for employment and potential eligibility for veteran's preference and Veteran's Readjustment Act appointments. In addition, occupation specific questions assist us in determining candidates' qualifications so that we may hire only the best-qualified candidates for our many aviation safety-related occupations. The FAA seeks to remove the "How did you hear about this job" questionnaire since the questionnaire is being added to OPMs online USAJOBS system.

Respondents: Approximately 118,000 annually.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 1.5 hours.

Estimated Total Annual Burden: 177,000 hours.
